

EXPRESSION OF INTEREST

Expressions of Interest are invited from eligible Independent Power Producers for pre-registration of Solar Power Projects with capacities ranging from 100 kW to 2 MW in the State of Orissa under the Roof top PV and Small Solar Generation Program (RPSSGP) of MNRE, GOI.

Interested IPPs may send their applications in prescribed format along with demand draft for Rs 10,000/- towards application fee and Rs 25000/- per MW towards processing fee payable at Bhubaneswar addressed to Chief Executive, OREDA by **12.00 noon on 8.7.2010**. Application received after **12.00 noon of 8.7.2010** shall not be considered for pre-registration.

IPPs who have already obtained clearance of the STC/in-principle approval/acknowledgement of receipt in respect of their proposed projects under RPSSGP are also required to apply afresh in the prescribed format along with all necessary documents for pre-registration of their proposals as per the new guidelines of RPSSGP. However they need not pay application fee if paid earlier.

Chief Executive

**Application for pre-registration of
Solar Power Projects under RPSSGP (Phase I)**

Name of the Company	
Complete Postal Address for communication	
Website	
Name & Designation of the contact person	
Telephone Numbers	Land line:
	Mobile :
E mail. Address	
Type of the company Existing single company Existing group Company Newly Incorporated Company Pl. specify	
Date of Incorporation of the Company	
Net worth of the company (INR) *	
Proposed location of the project Vill: Panchyat Block District :	
Proposed Capacity of the project(MW)	
Proposed Technology	

Capacity and type of solar modules to be used	
Name of the Technology partner(s) , if already selected	
Previous experience if any: In setting up on grid power projects In setting up off-grid power projects In setting up power projects based on conventional sources Any other relevant experience Pl attach testimony in separate sheet.	
Land area required to set up the project	
Present status of the land Already in possession: MOU/agreement signed with owner of the land Government land located to be applied for after pre-registration Government land bank to be accessed after pre-registration Pl. specify	
Location 33/11KV distribution substation where evacuation is proposed	

Date:

Place:

Signature of Project Proponent
Name

Instruction to Applicants

1. **For eligibility criteria and other technical /commercial details please refer “Guidelines for Roof top and Other small Solar Power Plants” connected to distribution network (below 33KV) published by Ministry of New and Renewable Energy, Government of India.**

2. **Calculation of Net worth should to based on**

- a) Unconsolidated audited annual accounts: For existing single companies
- b) Consolidated audited annual accounts provided that the applicant company has at least 26% equity in each of the group company: For existing group companies
- c) Certificate of C.A on date 7 days prior to the date of submission of the application: For newly incorporated companies

3. **Annual Balance sheets duly audited by chartered accountant must be furnished which apart from other details should clearly show the following**

- a) Paid up share capital
- b) Reserves
- c) Revaluation Reserves
