Sub: Comments / Suggestions on the draft Odisha General Financial Rule-2020 (OGFR-2020)-reg

Sir,

With reference to the subject cited above, I am directed to say that Orissa General Financial Rules were issued for the first time in 1959 bringing together in one place all existing orders and instructions pertaining to financial matters. These have been subsequently modified and issued as OGFR 1971, OGFR 1987 and OGFR 2000.

The Odisha General Financial Rules follow generally the provisions contained in the General Financial Rules (GFRs) of Government of India. The GFRs have been last revised and issued as GFRs 2017. Keeping in view the provisions contained in GFR-17 and taking into account the orders and executive instructions issued by State Government over the last two decades on the matters involving public finances, Finance Department have revised the OGFR comprehensively. The Forms Appendices and Annexures have also been adapted with modifications as contained in GFR-2017.

The draft copy of the OGFR is being uploaded in the Finance Department website on the following [link-https://finance.odisha.gov.in/OGFR](https://finance.odisha.gov.in/OGFR). Besides, the draft is also available on the notice board of OSWAS for information of all.

It is, therefore, requested to go through the draft and, after detailed deliberation within the Department, provide additions/modifications, keeping in view their specific domain requirements latest **by 26th May, 2020**. The suggestions on the draft are required to be submitted in OSWAS file to Finance Department in the annexed format.

Yours faithfully,

12/5/2020
