- (iv) GST Registration Certificate
- V) PAN Card
- VI) Paper Cost

### **6.1 EARNEST MONEY DEPOSIT**

6.1.1 The amount of Earnest Money Deposit required is mentioned in the Section-II. The Earnest Money Deposit will be submitted in the shape of N.S.C./ Post Office Savings Bank Account / Post Office Time Deposit Account / Kissan Vikas Patra / Fixed Deposit of any Schedule Bank duly pledged in favour of Executive Engineer Jagatsinghpur (R&B) Division and will have to be in any one of the forms as specified in the bidding documents

6.1.2 The EMD of the unsuccessful tenderers will be returned back without interest after placement of purchase order to the successful tenderer and EMD of successful tenderer will be returned after submission of performance security (ies).

6.1.3 The EMD will be forfeited if the tenderer withdraws its tender / furnish forged documents which is found during bid evaluation OR doesn't sign the contract / doesn't furnish performance security / doesn't supply the items (in case of successful bidder) within the stipulated time period.

### **6.2 Performance Security**

6.2.1 The successful bidder shall deposit performance security @ 5% of the accepted amount excluding taxes in shape of Bank Guarantee/ FDR duly

pledged in favour of Executive Engineer, Jagatsinghpur R&B Division within 10days of the issuance of letter of Intent.

- .
- 6.2.2 Upon receipt of such contract and the performance security, the Tender Inviting Authority shall issue the Supply Orders containing the terms and conditions for the execution of the order.
- 6.2.3 Failure of the successful bidder in providing performance security mentioned above shall make the bidder liable for forfeiture of its EMD.
- 6.2.4 The Performance security shall be denominated in Indian Rupees
- .
- 6.2.5 Tender Inviting Authority/User Institution will release the Performance Security without any interest to the successful bidder on completion of the successful bidder's all contractual obligations including the warranty period & after receipt of certificates confirming that all the contractual obligations have been successfully complied with.

### **6.3 GENERAL CONDITIONS:**

- 6.3.1 The details of the medical equipments with specifications are mentioned in **Section VII. The firm must clearly mention their specification, special features, upgraded version (if any), detail technical catalogue of the offered model in their tender.**
- 6.3.2 Tenders should be typewritten or computerized and every correction in the tender should invariably be attested with signature by the tenderer with date before submission, failing which the tender will be ineligible for further consideration.
- 6.3.3 Rates inclusive of excise duty / customs duty, packing, forwarding, insurance, transportation charges with 3 years onsite comprehensive warranty and exclusive of GST should ***be quoted for the medical equipments (Item wise) on door delivery basis.***
  - . The rates quoted should be in **Indian Rupees only**. Rates quoted in any other currency will not be accepted.
- 6.3.4 The rate per unit shall not vary with the quantum of order placed for destination point.

- 6.3.5 If there is difference between figures & words, words will be taken into consideration.
- 6.3.6 In the event of the date being declared as a holiday by Govt. of Odisha, the due date of sale, submission of bids and opening of bids will be the following working day at the scheduled place & time.
- 6.3.7 The rate quoted and accepted will be binding on the tenderer for a period of **one year** from the date of approval of the rate contract and on no account; any increase in the price will be entertained till the completion of this tender period.
- 6.3.8 No tenderer shall be allowed at any time on any ground whatsoever to claim revision of or modification in the rate quoted by him. Clerical error / typographical error, etc. committed by the tenderers in the tender forms shall not be considered after opening of tenders. Conditions such as “**SUBJECT TO AVAILABILITY**” / “**SUPPLIES WILL BE MADE AS AND WHEN SUPPLIES ARE RECEIVED**” etc., will not be considered under any circumstance and the tenders of those who have given such conditions shall be treated as incomplete and for that reason, shall be rejected.
- 6.3.9 If at any time during the period of rate contract, the price of tendered item is reduced or brought down by any law or act of the Central or State Government or the tenderer, the tenderer shall be morally and statutorily bound to inform the purchaser immediately about such reduction in the contracted price. The purchaser is empowered to unilaterally effect such reduction in rate, in case the tenderer fails to notify or fails to agree for such reduction of rate.
- 6.3.10 Approved rate with terms, conditions & the quoted price of the tender shall remain valid for a period of 12 months from the date of approval of the rate contract.
- 6.3.11 If the relevant documents / certificates which are required to be furnished along with the tender are written in language other than English, the tendering firm shall furnish English version of such documents / certificates duly attested by a Gazetted Officer / Notary with his seal and signature.
- 6.3.12 If any information or documents furnished by the tenderer with the tender papers are found to be misleading or incorrect at any stage the tender of the relevant items in the approved list shall be cancelled and steps will be taken to blacklist the said firm for three (3) years.
- 6.3.13 Rate should be quoted in Indian Currency, both in words and figures against each item as the payments will be made in Indian currencies only. The tenderer shall not quote the rate for any item other than the item specified in the list. (**Section III – Schedule of Requirement**).
- 6.3.14 GST will be paid separately to the Supplier

#### **6.4 TURNKEY:**

6.4.1 The electrical power supply point will be provided by the purchaser at the room where the equipment will be installed but the wiring and electrical fittings inside the room and accessories if any required for installation & commissioning of the equipment from the power supply point to the point of actual installation or any other civil work required for installation of the equipment will be provided by the supplier without any extra cost (apart from the cost mentioned under turnkey in the Price schedule which should include the cost of all such requirement).

#### **6.5 COMPREHENSIVE WARRANTY :**

6.5.1 The comprehensive warranty will remain valid for **3 years** from the date of installation & commissioning of the equipment. The original copy of warranty documents will be submitted to the purchaser at the time of installation for applicable items.

6.5.2 The warranty will cover **all the parts of the machine or item and any replacement or repair required** within the warranty period and will be provided by the supplier free of cost at the destination point (installation point). The supplier will take back the replaced parts / goods at the time of their replacement. No claim whatsoever shall be on the purchaser for the replaced parts / goods thereafter. No travelling allowances or transportation cost will be paid by the purchaser during the warranty period.

6.5.3 The Supplier shall warrant that the Goods supplied under this contract are new, unused, of the most recent or current models and they incorporate all recent improvements in design and materials. The Supplier shall further warrant that all Goods supplied under this contract shall have no defect arising from design, materials or workmanship or from any act or omission of the Supplier that may develop under normal use of the supplied Goods in the conditions prevailing in the place of final destination. Within warranty period the service engineer has to provide minimum two preventive maintenance (six month interval) visit other than complain and this has to be ensured by service report. Penalty: Any delay in attending the PM the delay period will be added to the warranty period.

## **6.6 TRAINING & OPERATIONAL MANUAL:(FOR APPLICABLE ITEMS)**

6.6.1 The firm / supplier will provide hands on training to two doctors and two technicians in his own cost for operating / handling the medical equipment(s) at the time of installation of equipment.

6.6.2 The supplier / firm will provide the operation / maintenance manuals of all equipments to the purchaser at the time of installation.

## **6.7 Delivery and Installation**

6.7.1 The successful bidder shall visit the scheduled institution and recommend pre installation requirements at each institution. The details may be consolidated and shall submit to Tender Inviting Authority for further actions. If the supplier fails to communicate any of such instances before delivery of equipment and cannot complete the **delivery** within the stipulate period, Tender Inviting Authority shall deduct **Liquidated Damage (LD) charges**

6.7.2 The successful bidder will have arrange transportation of the ordered goods as per its own procedure and pay necessary insurance against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery and pay all necessary charges incidental till it is installed in the User Institution. It shall be ensured that the equipments arrive at the destination(s) in good condition within the delivery period mentioned and as per the other requirements of the Bid Document.

6.7.3 If at any time during the currency of the contract, the successful bidder encounters conditions hindering timely delivery of the goods and performance of services, the successful bidder shall inform the Tender Inviting Authority/User Institution in writing within a week about the same and its likely duration and make a request to the Tender Inviting Authority/User Institution for extension of the delivery schedule accordingly. On receiving the successful bidder's communication, the Tender Inviting Authority/User Institution shall examine the situation as soon as possible and, at its discretion, may agree to extend the delivery schedule, with or without liquidated damages for completion of successful bidder's contractual obligations by issuing an amendment to the contract.

6.7.4 The successful bidder is required to deliver the equipments at the site within time specified under cl 4.1. from the date of issue of the 'Supply Order' and demonstrate individually the specification/features as well as operation / performance of the equipment to the satisfaction of the institution head or

his/her representative and obtain an individual CRC 'Consignee Receipt Certificate' and SIC 'Satisfactory Installation Certificate' for each equipment and Warranty card (as per format in Annexure III) duly signed and with proper stamp of the institution concerned. A proper detail of stock taking has to be obtained in the invoices from the respective User Institutions with signature and seal.

- 6.7.5 The installation report and two month performance reports shall be submitted separately, in a single sheet printed back to back and shall be submitted individually for each equipment installed.
- 6.7.6 The Tender Inviting Authority may also depute one of its representatives or from the funding agency with prior intimation to the successful bidder to be present for the demonstration. The signature of such official, if deputed, in the installation certificate is essential.
- 6.7.7 Installation & Commissioning: The electrical power supply point will be provided by the purchaser at the room where the equipment will be installed but the wiring and electrical fittings inside the room and accessories if any required for installation & commissioning of the equipment from the power supply point to the point of actual installation or any other civil work required for installation of the equipment will be provided by the supplier without any extra cost (apart from the cost mentioned under installation cost in the Price schedule which should include the cost of all such requirement).

## **6.8 Payment**

- 6.8.1 No advance payments towards cost of medical equipments will be made to the bidder.
- 6.8.2 Payment will be made after completion of the work & necessary completion certificate obtained from the Consigning Medical Officer Incharge.
- 6.8.3 Where there is a statutory requirement for tax deduction at source, such deduction towards income tax and other taxes as applicable will be made from the bills payable to the Successful bidder at rates as notified from time to time.

## **6.9 After Sales Service Conditions:**

6.9.1 The successful bidder is required to undertake preventive maintenance and attend all repairs, if any, that may arise during the warranty period free of cost .

6.9.2 Failure to provide satisfactory after sales services during the warranty period will lead to blacklisting & Forfeiture of the Security Money.

#### **6.10 Guarantee/Warranty Terms:**

6.10.1 The successful bidder has to warrant that the Goods supplied under this Contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the Contract.

6.10.2 The successful bidder further have to warrant that the Goods supplied under this Contract shall have no defect arising from design, materials or workmanship (except when the design and/or material is required by the Tender Inviting Authority's specifications) or from any act or omission of the successful bidder, that may develop under normal use of the supplied goods.

6.10.3 All the equipments including the accessories supplied as per the technical specification in Section VII should carry comprehensive warranty for a period mentioned under Section IV. During this period, the successful bidder shall replace all defective parts and attend to all repairs/break downs and undertake stipulated number of preventive maintenance visits to every user installation site. The cost of spare parts for all replacements has to be borne by the successful bidder during the period of comprehensive warranty.

6.10.4 During every visit, a copy of the service report/break down call report, duly signed by the custodian of the equipment/head of the health care institution and stamped shall be forwarded by email/fax/post to the Executive Engineer within 10 days from the due date.

6.10.5 Complaints should be attended properly, maximum within the time mentioned in Section IV. In case, the repair/fault duration is likely to exceed 72 hours, the successful bidder shall arrange a standby equipment of the same make and model within next 48 hours (total down time should not exceed 5 days) as a stop-gap arrangement till the repair/fault is rectified and the stand by equipment shall perform in the same manner as regards a new equipment.

6.10.6 Upon receipt of such notice for repair/breakdown from the Tender Inviting Authority or user institution, the successful bidder shall, within the period specified under Section IV, and with all reasonable speed, repair or replace

the defective goods or parts thereof, without cost to the Tender Inviting Authority or to the user institution.

- 6.10.7 If the successful bidder, having been notified, fails to rectify the defect(s) within the period specified mentioned in Section IV, the Tender Inviting Authority may proceed to take such remedial action as may be deemed necessary & the cost there of will be deducted from the security amount.
- 6.10.8 Failure to attend the repairs in time or failure to attend the stipulated preventive maintenance visit or failure to replace the defective equipments or to provide stand by equipment if the fault/down time exceeds the stipulated period or to ensure the stipulated up-time in an year shall lead to forfeiture of the performance security and/or may lead to blacklisting/debarring of the defaulting bidder.
- 6.10.9 A warranty certificate (as per format in Annexure III) duly signed and with proper stamp of the institution concerned and also signed by the authorized signatory with the stamp of the successful bidder shall be submitted to the Tender Inviting Authority for keeping it under safe custody along with the Installation Certificate. A copy of the original warranty papers has to be given to the institution head concerned.
- 6.10.10 Any mandatory approval required for installation shall be obtained by the successful bidder in liaison with the respective authorities.
- 6.10.11 All software updates, if any required, should be provided free of cost during Warranty period.

## **6.11 Training**

- 6.11.1 The successful bidders have to impart on-site training to Doctors/ Technicians/ para-medical staff on the operation and preventive maintenance of the equipment at the time of installation and anytime during warranty period if demanded by the User Institution to the satisfaction of the Tender Inviting Authority/ User Institution.

## **6.12 Force Majeure**

- 6.12.1 For purposes of this clause, Force Majeure means an event beyond the control of the successful bidder and not involving the successful bidder's fault or negligence and which is not foreseeable and not brought about at the instance of , the party claiming to be affected by such event and which has caused the non-performance or delay in performance. Such events may include, but are not restricted to, acts of the Tender Inviting Authority/User Institution either in its sovereign or contractual capacity, wars or revolutions, hostility, acts of public enemy, civil commotion, sabotage, fires, floods, explosions, epidemics, quarantine restrictions, strikes excluding by its employees , lockouts excluding by its management, and freight embargoes.
- 6.12.2 If a Force Majeure situation arises, the successful bidder shall promptly notify the Tender Inviting Authority/User Institution in writing of such conditions and the cause thereof within twenty one days of occurrence of such event. Unless otherwise directed by the Tender Inviting Authority/User Institution in writing, the successful bidder shall continue to perform its obligations under the contract as far as reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
- 6.12.3 If the performance in whole or in part or any obligation under this contract is prevented or delayed by any reason of Force Majeure for a period exceeding sixty days, either party may at its option terminate the contract without any financial repercussion on either side.

## **6.13 Applicable Law & Jurisdiction of Courts**

6.13.1 The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force.

6.13.2 All disputes arising out of this bid will be subject to the jurisdiction of courts of law.

#### **6.14 Penalties for Non-performance**

The penalties to be imposed, at any stage, under this bid are;

6.14.1 Failure to produce the requisite certificates after claiming to possess such certificates or concealment or misrepresentation of facts will lead to rejection of bids and may lead to forfeiture of EMD or performance security as well as result in black listing/debarring of the bidder.

6.14.2 **Liquidated Damages:-** If the successful bidder fails to **deliver** any or all of the goods within the time frame(s) prescribed in the contract, the Tender Inviting Authority/User Institution shall, without prejudice to other rights and remedies available to the Tender Inviting Authority/User Institution under the contract, deduct from the contract price / purchase order price as liquidated damages, a sum equivalent to **1% of the value of the item** to be supplied **per week of delay** or **part thereof** on delayed supply of item (s) until actual delivery or performance subject to a **maximum** of **4%**. The Tender Inviting Authority reserves the right to allow an additional penal period of 4 (four) weeks beyond the normal penal period (4 weeks) on the written request of the supplier with the condition that liquidated damage @ **1.5%** will be charged for each week or part thereof during the extended penal period.

Once the delivery period / extended delivery period with LD is exceeded, Tender Inviting Authority/User Institution may consider termination of the contract. During the above-mentioned delayed period of supply and / or performance, the conditions incorporated shall also apply and Tender Inviting Authority shall seek alternate measures at the risk and cost of the successful bidders.

## **6.15 Termination of Contract**

- 6.15.1 Termination for default:- The Tender Inviting Authority/User Institution, without prejudice to any other contractual rights and remedies available to it (the Tender Inviting Authority/User Institution), may, by written notice of default sent to the successful bidder, terminate the contract in whole or in part, if the successful bidder fails to deliver any or all of the goods or fails to perform any other contractual obligation(s) within the time period specified in the contract, or within any extension thereof granted by the Tender Inviting Authority/User Institution.
- 6.15.2 In the event of the Tender Inviting Authority/User Institution terminates the contract in whole or in part, the Tender Inviting Authority/User Institution may procure goods and/or services similar to those cancelled, with such terms and conditions and in such manner as it deems fit and the successful bidder shall be liable to the Tender Inviting Authority/User Institution for the extra expenditure, if any, incurred by the Tender Inviting Authority/User Institution for arranging such procurement.
- 6.15.3 Unless otherwise instructed by the Tender Inviting Authority/User Institution, the successful bidder shall continue to perform the contract to the extent not terminated.
- 6.15.4 Termination for insolvency: If the successful bidder becomes bankrupt or otherwise insolvent, the Tender Inviting Authority reserves the right to terminate the contract at any time, by serving written notice to the successful bidder without any compensation, whatsoever, to the successful bidder, subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and / or will accrue thereafter to the Tender Inviting Authority/User Institution.
- 6.15.5 Termination for convenience:- The Tender Inviting Authority/User Institution reserves the right to terminate the contract, in whole or in part for its (Tender Inviting Authority's/User Institution's) convenience, by serving written notice on the successful bidder at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of the Tender Inviting Authority/User Institution. The notice shall also indicate interalia, the extent to which the successful bidder's performance under the contract is terminated, and the date with effect from which such termination will become effective.

**6.16 ACCEPTANCE OF TENDER AND SUPPLY CONDITIONS:**

6.16.1 The Purchaser reserves the right to reject the tenders or to accept the tenders for the supply of the item tendered without assigning any reason thereof.

6.16.2 The Purchaser will be at liberty to terminate the contract either wholly or in part without assigning any reasons thereof. The tenderers will not be entitled to any compensation whatsoever for such termination.

6.16.3 The **supply should be completed within 30 days** from the date of issue of purchase order unless otherwise specified. If no supply is received even after 60 days with liquidated damage from the date of issue of the purchase orders such orders will stand cancelled automatically & the firm shall suffer forfeiture of the EMD.

**6.17 INSPECTION/TESTING:**

6.17.1 The selected supplier shall have to arrange for demonstration of the equipment at the supply point. The purchaser/ its nominated representative(s)/ Consigning Medical Officer in charge shall inspect and test the equipments at the supply point to check their conformity to the specifications and other details incorporated in the contract.

## SECTION VII

### **TECHNICAL SPECIFICATIONS**

#### **a) COMPUTED RADIOGRAPHY (CR) SYSTEM**

Image Reader (CR Reader) / Digitizer Digitizer / Image Reader suitable for Government Hospitals which is capable to handle high workload is required, having the following features:

- Processing Capacity 60 Plates/hour for 14" x 17" size or more.
  - Minimum image preview time should be less than 60 sec.
  - Depth acquisition resolution should be of 12 bits.
  - Unit offered should have at least 2 types of Scanning Resolution resolution. (87.5 $\mu$ l) (175 $\mu$ l)
  - Should have provision for highest resolution scanning for any size. (4020X4892)
  - Should have various post-processing features like window level adjustment, Rotation, Zooming, Annotation, Noise reduction, cropping etc. • It should be DICOM COMPATIBLE.
  - It should be able to process cassettes of size 8" x 10", 10" x12", 11"x14", 14" x 14", 14" x 17", 18" x 24", 24" x 30" & 15" x 30"
  - It should be able to pan & zoom the image directly when required, to check the quality of the image.
  - Should supply image cassette of one each of size 8" x 10", 10" x12", 14" x 17"
- Dedicated Advanced Work Station The CR System should have advanced workstation provided with 17" high-resolution monitor, keyboard & mouse, with the following features ➤ It should be capable of processing raw image data of the CR Reader /Digitizer PAGE 4 OF 5 ➤ It should have post processing facilities like window level adjustments, Image flipping, rotating, image zooming, edge enhancement, latitude reduction, image noise reduction, grey scinconsole of workstation. Should be provided with Multimodality processing software Multimodality Connectivity & printing capability and should be capable to connect USG, CT, MRI etc. It should also have Facility for Multi patient printing on Single Film. Should have facility of customizable presets. The workstation should also have an option to connect to additional viewing workstation for doctor's room. Dry Laser Camera /Imager: A dry laser printer of latest technology should

be provided with the system, with the system with the following features:  
Printtechnology should be dry laser Imager Single online.

1. Printing resolution should be not less than 300 DPI for standard resolution printing.
2. Pixel Size 78  $\mu\text{m}$  .
3. Processing capacity: It should be able to print at least 45 sheets per hour of 14" X 17" size or more.
4. Pixels depth architecture/gray scale resolution should be 14 bits of more 5. It should have compatibility of networking & connectivity –there should be provision of direct connectivity to any DICOM modality & on installation there should be available essential provision of connection to at least 5 DICOM modalities simultaneously for high volume centralized US, CT, MRI, NM, CR & DR, C-ARM printing applications.
6. The systems should be capable to connect/link non- DICOM modalities also by connecting it to DICOM.
7. It should be able to support film sizes 14x17, 14x14, 11x14, 10x12 & 8x10 8. It should have Single Tray online tray, capable of changing any film size at any given point of time. It should have mechanism such that only the film packet needs to be changed and not the whole tray. This should be user friendly and can be done by the staff without the help of engineer.
9. The changing of film size shall note take more than 10 seconds.
10. It should be capable of printing in different layouts & multiple formats on a single film. Customized layouts & formats should be independent of film size. It should be capable of printing images of multiple patients & multiple images of single patient in single size.
11. The system should be supplied with suitable UPS with a backup of 20mins.
12. The system should be CE or USFDA approved.
13. 3 KVA Online UPS to be supplied.
