## **INSTRUCTION TO BIDDERS FOR ONLINE BID SUBMISSION**

e-Nivida is the complete process of eTendering, from publishing of tenders online, inviting online bids, evaluation and award of contract using the system. You may keep a watch of the tenders floated under <https://enivida.odisha.gov.in>.

Bidder Enrolment can be done using "**Bidder Enrollment**".

The instructions given below are meant to assist the bidders in registering on the e-Nivida Portal, and submitting their bid online on the portal as per uploaded bid.

More information useful for submitting online bids on the eNivida Portal may be obtained at: <https://enivida.odisha.gov.in>.

### **GUIDELINES FOR REGISTRATION**

1. Bidders are required to enroll themselves on the eNivida Portal <https://enivida.odisha.gov.in> or click on the link "Bidder Enrollment" available on the home page of e-tender Portal by paying the Registration fee of Rs.2,500/- + Applicable GST.
2. As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
3. Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication with the bidders.
4. Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Only Class III Certificates with signing + encryption key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
5. Only valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
6. Bidder then logs in to the site through the secured log-in by entering their user ID /password and the password of the DSC / e-Token.
7. The scanned copies of all original documents should be uploaded in pdf format on e-tender portal.
8. After completion of registration payment, bidders need to send their acknowledgement copy on our help desk mail id [odishaenivida@gmail.com](mailto:odishaenivida@gmail.com), for activation of the account.

---

### **SEARCHING FOR TENDER DOCUMENTS**

1. There are various search options built in the e-tender Portal, to facilitate bidders to search active tenders by several parameters.
2. Once the bidders have selected the tenders they are interested in, then they can pay the Tender fee and processing fee (NOT REFUNDABLE) by net-banking / Debit / Credit card then you may download the required documents / tender schedules, Bid documents etc. Once you pay both fee tenders will be moved to the respective 'requested' Tab. This would enable the e-tender Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.

### **PREPARATION OF BIDS**

1. Bidder should take into account any corrigendum published on the tender document before submitting their bids.
2. Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid.
3. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF formats. Bid Original documents may be scanned with 100 dpi with Colour option which helps in reducing size of the scanned document.
4. To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, GST, Annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Documents" available to them to upload such documents.
5. These documents may be directly submitted from the "My Documents" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process. Already uploaded documents in this section will be displayed. Click "New" to upload new documents.

### **SUBMISSION OF BIDS**

1. Bidder should log into the website well in advance for the submission of the bid so that it gets uploaded well in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
2. The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document as a token of acceptance of the terms and conditions laid down by Department.
3. Bidder has to select the payment option as per the tender document to pay the tender fee / Tender Processing fee & EMD as applicable and enter details of the instrument.
4. In case of BG bidder should prepare the BG as per the instructions specified in the tender document. The BG in original should be posted/couriered/given in person to the concerned official before the Online Opening of Financial Bid. In case of non-receipt of BG amount in original by the said time, the uploaded bid will be summarily rejected.
5. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BOQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BOQ file, open it and complete the yellow Coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidders should save it and submit it online, without changing the filename. If the BOQ file is found to be modified by the bidder, the bid will be rejected.
6. The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
7. The uploaded bid documents become readable only after the tender opening by the authorized bid openers.
8. Upon the successful and timely submission of bid click "Complete" (i.e. after Clicking "Submit" in the portal), the portal will give a successful Tender submission acknowledgement & a bid summary will be displayed with the unique id and date & time of submission of the bid with all other relevant details.
9. The tender summary has to be printed and kept as an acknowledgement of the submission of the tender. This acknowledgement may be used as an entry pass for any bid opening meetings.

- e) Only fixed price commercial bids indicating total price for all the deliverables and services specified in this bid document will be considered.
- f) Prices quoted in the Bid must be firm and final and shall not be subject to any modifications, on any account whatsoever except applicable tax rates. The Bid Prices shall be indicated in Indian Rupees (INR) only
- g) The bid price will include all taxes and levies and mentioned separately.
- h) Any conditional bid would be rejected.
- i) If there is no price quoted for certain material or service, the bid shall be declared as disqualified.
- j) Commercial bids of those Bidders who are qualified in the Technical evaluation will only be opened. All other commercial bids will not be opened. The financial evaluation shall be done, based on the details submitted by the bidder as per the format provided. The Evaluation Methodology adopted will be Least Cost Based System (LCBS) method of evaluation.

#### 4.4 Correction of Arithmetic Errors in Commercial Bids

The Evaluation Committee shall correct arithmetical errors in substantially responsive Bids, on the following basis, namely: -

- a) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Evaluation Committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- b) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- c) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (a) and (b) above.

## 5. Instructions to bidders

### 5.1 General

- a. The terms and conditions given in the RFP, subsequent corrigendum if any released by OCAC against this RFP, shall apply.
- b. Each bidder shall submit only one Proposal. The bidder who submits or participates in more than one Proposal will be disqualified.
- c. While every effort has been made to provide comprehensive and accurate background information with desired responsibilities and requirements. Bidders must form their own conclusions about the support needed to meet the requirements based on their past experience.
- d. All information supplied by bidders may be treated as contractually binding on the bidders, on successful award of the assignment by the OCAC.
- e. No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the OCAC. Any notification of preferred bidder status by the OCAC shall not give rise to any enforceable rights by the Bidder. The OCAC may cancel this procurement at any time prior to a formal written contract being executed by or on behalf of the OCAC.

### 5.2 Authentication of Bid

The bid response shall be typed or written in indelible ink. The bid response shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract. ### 5.3 Validation of interlineations in Bid

The bid shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such corrections shall be initialed by both the parties or persons signing the bid.

### 5.4 Cost of Bidding

The Bidder shall bear all costs associated with the preparation and submission of its bid including the cost of presentation for the purposes of clarification of the bid, if so desired by the Purchaser. The Purchaser will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the Tendering process.

## 5.5 Clarification on Tender Document

Prospective Bidders requiring any clarification on the RFP Document may submit their queries, in writing, through the e-tender portal <https://enivida.odisha.gov.in/> only and as per schedule indicated in “Invitation for Bids / Key events and dates”. The queries must be submitted in the following format only to be considered for clarification:

<b>Company Name:</b>				
<b>Person Name:</b>				
<b>Designation, e-Mail, Contact Number:</b>				
<b>Sr. No.</b>	<b>Section / Clause number</b>	<b>Page number</b>	<b>Detail of as mentioned in section / clause</b>	<b>Clarification required</b>
1.				
2.				

The queries not adhering to the above mentioned format shall not be responded.

Pre-bid Conference will be held on 20/09/2021 @ 01:00 PM through online VC system. Meeting Link will be sent to bidder’s through email, who will submit their queries.

## 5.6 Responses to Pre-Bid Queries and Issue of Corrigendum

- a. The Nodal Officer mentioned in the RFP document will endeavor to provide timely response to all queries. However, OCAC makes no representation or warranty as to the completeness or accuracy of any response made in good faith, nor does OCAC undertake to answer all the queries that have been posed by the applicants. The responses to the queries from all applicants will be mailed by OCAC.
- b. At any time prior to the last date for receipt of RFP, OCAC may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective applicant, modify the RFP Document by a corrigendum.
- c. The Corrigendum (if any) & clarifications will be published in e-tender portal [https://enivida.odisha.gov.in.](https://enivida.odisha.gov.in/)
- d. Any such corrigendum shall be deemed to be incorporated into this RFP.
- e. In order to provide prospective applicants reasonable time for taking the corrigendum into account, OCAC may, at its discretion, extend the last date for the receipt of RFP.

## 5.7 Documents Comprising the Bids

The bid prepared by the Bidder shall comprise the following components. The bids not conforming to the requirements shall be summarily rejected.

- Pre-Qualification Bid

In support of eligibility, a Bidder must submit the following documents (besides the other requirements of the tender), original copies or attested copies, as the case may be, in the absence of which the Bid will be rejected.

- Format 1: Covering Letter.
  - Format 2: General information about the Bidder.
  - Detailed checklist for pre-qualification duly filled in along with the supporting documents as defined in Format 3.
  - Pre-qualification bid should contain Earnest Money Deposit (EMD) (Format-12)& cost of the RFP in a separate sealed envelope.
  - Declaration that the Bidder has not been debarred/blacklisted by Central Government, any State Governments, any Semi- Government Organization, or any PSU in India for the quality of services/product and there is no major complaint against the Bidder by any organization as per Format 4A.
  - An Acceptance by the Bidder to the Terms & Conditions mentioned in this RFP, Format 5
- Technical Bid

The Technical Bid, besides the other requirements of the Tender, shall comprise of the following:

- Format 6: Technical Bid Letter
- Format 7: Checklist for Technical Evaluation Criteria
- Format 8: Project Experience

- Financial Bid

The Commercial Bid, besides the other requirements of the Tender, shall comprise of the following:

- Format 9: Commercial Bid Letter.
- Format 10: Breakdown of Cost Components.

## 5.8 Bid Prices

The Bidder shall indicate the price in the prescribed format, the unit rates and total Bid Prices of the services, it proposes to provide under the Contract. Prices should be shown separately for each item as detailed in Tender Documents. In absence of the above information as requested, the bid may be considered incomplete and be summarily rejected. The price components furnished by the Bidder in accordance with format prescribed will be solely for the purpose of facilitating the comparison of bids by the Purchaser and will not in any way limit the Purchaser's right to contract on any of the terms offered.

The Bidder shall prepare the bid based on details provided in the tender documents. It must be clearly understood that the Scope of Work is intended to give the Bidder an idea about the order and magnitude of the work and is not in any way exhaustive and guaranteed by the Purchaser. The Bidder shall carry out all the tasks in accordance with the requirement of the tender documents & due diligence and it shall be the responsibility of the Bidder to fully meet all the requirements of the tender documents. If during the course of execution of the project any

revisions to the work requirements like Technical specifications, Equipment sizing, etc. are to be made to meet the goals of the Implementing agency, all such changes shall be carried out within the current price.

## 5.9 Firm Prices

Prices quoted in the bid must be firm and final and shall not be subject to any upward modifications, on any account whatsoever. However, the Purchaser reserves the right to negotiate the prices quoted in the bid to effect downward modification.

Prices in any form or by any reason before opening the Commercial Bid should not be revealed, failing which the offer shall be liable to be rejected. If the price change is envisaged due to any clarification, revised Financial Bid shall be submitted with the prior written permission of the Purchaser and 7 days before the final date for bid submission.

## 5.10 Bid Currencies

Prices shall be quoted in Indian National Rupees (INR).

## 5.11 Bidder Qualification

The "Bidder" as used in the tender documents shall mean the one who has signed the Tender Form. The Bidder may be either the Principal Officer or his duly Authorized Signatory, in either case, he/she shall submit a certificate of authority. All certificates and documents (including any clarifications sought and any subsequent correspondences) received hereby, shall, as far as possible, be furnished and signed by the representative and the principal.

It is further clarified that the individual signing the tender or other documents in connection with the tender must certify whether he/she signs as the Constituted attorney of the firm or a company.

The authorization shall be indicated by written power-of-attorney accompanying the Pre-qualification bid.

## 5.12 Bid Security (Earnest Money Deposit)

- Bid Security (EMD)

The Bidder shall furnish, as part of its bid, Bid Security Declaration (Format-12) as per Finance Department, Govt. of Odisha Notification Number 8943/F, dated – 18/03/2021.

## 5.13 Bid Validity

- Period of Validity of Bids

Bid shall remain valid for 180 days after the date of opening of Technical Bids prescribed by the Purchaser. A bid valid for a shorter period may be rejected as non-responsive. However, the prices finalized after opening the tenders shall not increase throughout the project

period. The prices of components can nevertheless go down due to global trend and is to be determined from their list prices from time to time after applying the same discount factors as related to the prices finalized after bid opening but before the delivery of the components to the Purchaser.

- **Extension of Period of Validity**

In exceptional circumstances, the Purchaser may request the Bidder(s) for an extension of the period of validity. The request and the responses thereto shall be made in writing. The validity of EMD shall also be suitably extended.

#### 5.14 Modification and Withdrawal of Bids

- **Written Notice**

The Bidder may modify or withdraw its bid after the bid's submission, provided that the Purchaser receives written notice of the modification or withdrawal, prior to the last date prescribed for receipt of bids.

- **Signing and Marking of Notice**

The Bidder's modification or withdrawal notice shall be prepared, sealed, marked and dispatched in accordance with the provisions said earlier. A withdrawal notice may also be sent by fax/email but followed by a signed confirmation copy, postmarked not later than the last date for receipt of bids.

- **Last Date for Notice**

No bid may be altered/modified subsequent to the closing time and date for receipt of bids. Unsolicited correspondences from Bidders will not be considered. No bid may be withdrawn in the interval between the last date for receipt of bids and the expiry of the bid validity period specified by the Bidder in the Bid. Withdrawal of a bid during this interval may result in the Bidder's forfeiture of its EMD.

#### 5.15 Opening of Bids

- **Opening of Bids**

Decision of the Purchaser or a committee appointed by the GoO/ Purchaser (OCAC) would be final and binding upon all the Bidders. The Purchaser will open the Bid Proposal, in the presence of the representatives of the Bidders who choose to attend, at the time, date and place, as mentioned in section 'Invitation for Bids / Important Dates'. In the event of the specified date of Bid opening being declared a holiday for the Purchaser, the Bids shall be opened at the appointed time and location on the next working day. It is advised to send a responsible, authorized and senior representative of the Bidder so that clarifications, if any, can be given on the spot. The Bidder's names, modifications, bid withdrawals and the presence or absence of the requisite EMD and such other details considered appropriate will be announced at the bid opening.

- **Announcement of Bids**  
The Bidders' names, bid modifications or withdrawals and such other details as the Purchaser at discretion may consider appropriate, will be announced at the bid opening.
- **Bids Not Considered For Evaluation**  
Bids that are rejected during the bid opening process due to incomplete documentation or late receipt shall not be considered for further evaluation.

#### 5.16 Criteria for Evaluation of Bids

A three-stage procedure will be adopted for evaluation of proposals, with the pre-qualification being completed before the technical evaluation and thereafter financial proposals being opened and compared. Pursuant to the pre-qualification criterion Bidders will be shortlisted for technical bid. Technical bids will be evaluated only for the Bidders who succeed in the pre-qualification criterion.

The Purchaser will review the technical bids of the short-listed Bidders to determine whether the technical bids are substantially responsive. Bids that are not substantially responsive are liable to be dis-qualified.

Purchaser will assign points (quality of services score) to the technically qualified Bidders based on the technical evaluation criterion as mentioned in the RFP document. The commercial bids for the technically qualified Bidders will then be opened and reviewed to determine whether the commercial bids are substantially responsive.

OCAC will award the contract to the successful bidder whose proposal has been determined to be substantially responsive as per the process outlined the Criteria for Evaluation and Comparison of Technical Bids. The bidder with the lowest price quote shall be considered as L1 and award of the contract shall be made to the bidder with the lowest cost (L1). If the L1 bidder refuses / fails to accept the Work Order within Ten days, the next higher responsive bidder (L2) will be proposed to accept the Work Order at the rates offered by the lowest bidder (L1). If L1 bidder refuses / fails at any stage of contract, the entire work can be given to the L2 bidder at L1 rate. OCAC reserves the right to negotiate prices during evaluation if found necessary. OCAC will notify the successful bidder in writing or by fax or email, that its proposal has been accepted. In case the tendering process has not been completed within the stipulated period, OCAC may like to request the bidders to extend the validity period of the bid. In such case such extended period shall be accepted as mutually agreed upon. Notification of award will constitute the formation of the contract.

Conditional bids are liable to be rejected.

#### 5.17 Rectification of Errors

Arithmetical errors in the Financial Bid will be rectified on the following basis:

- If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and will be considered for future calculations.
- For Financial Bid evaluation, the Total Price will be taken into consideration.

- For items/services which are mandatorily required as per RFP, if not quoted by Bidder (which is also specified by the Bidder as per the Technical Bid etc.), the highest value quoted by competing bidders for the respective item to be added to the Bidder
- If there is a discrepancy between words and figures, the amount in words shall prevail.
- If the bidder does not accept the correction of errors, its bid will be rejected and its bid security may be forfeited.

### 5.18 Contacting the Purchaser

- Contact by Writing

No Bidder shall contact the Purchaser on any matter relating to its bid, from the time of bid opening to the time the Contract is awarded. If the Bidder wishes to bring additional information to the notice of the Purchaser, it should be done in writing.

- Rejection of Bid

Any effort by a Bidder to influence the Purchaser in its decisions on bid evaluation, bid comparison or contract award may result in rejection of the Bidder's bid.

### 5.19 Purchaser's Right to Vary Scope of Contract at the time of Award or to extend the Duration of Contract at later stage

- a. The invitation to bid is for "Selection of Third Party Auditor (TPA) for OSWAN" for a period of Three Years. However the Purchaser on its sole discretion reserves the right to issue Work order for 1 Year and extend the contract on annual basis post successfully completion of service by TPA. In case of such extension, payment shall be made to the selected Bidder on pro-rata basis as per the RFP specified payment terms. The remaining terms and conditions will remain as per RFP and contract.
- b. The Purchaser may at any time, by a written order given to the Bidder, make changes to the scope of the Contract as specified with mutual agreement with the supplier.
- c. If any such change causes an increase or decrease in the cost of or the time required for the Bidder's performance of any part of the work under the Contract, whether changed or not changed by the order, an equitable adjustment shall be made in the Contract Value or time schedule, or both, and the Contract shall accordingly be amended. Any claims by the Bidder for adjustment under this Clause must be asserted within thirty (30) days from the date of the Bidder's receipt of the Purchaser's changed order.

### 5.20 Purchaser's Right to Accept Any Bid and to reject any or All Bids

- The Purchaser reserves the right to accept any bid and to annul the Tender process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected Bidders or any obligation to inform the affected Bidders of the grounds for the Purchaser's action. The Purchaser reserves the right to negotiate the commercials with the selected Bidder and seek a revised commercial bid.

### 5.21 Notification of Award

- Notification to Bidder

Before the expiry of the period of validity of the proposal, the Purchaser shall notify the Successful Bidder (L1) in writing by email, registered letter or by fax, that its bid has been accepted. The Bidder shall acknowledge in writing a receipt of the notification of award and shall send his acceptance to enter into an agreement within seven days of receiving the notification.

- Issuance of Purchase Order
  - a. The OCAC shall reserve the right to negotiate with the bidder(s) whose proposal has been ranked best value bid on the basis of bid evaluation to the proposed Project. On this basis the Purchase order would be issued for a period of one year and subsequently renew the same on annual basis for remaining years. OCAC shall issue a Purchase Order to the successful bidder taking into account the relevant clauses of RFP, pre- bid clarifications, Corrigenda, the proposal of the bidder in addition to other agreed clauses.
  - b. If the selected bidder refuses / fails to accept the Work Order within Seven days or fails at any stage of contract, the next responsive bidder (L2) will be proposed to accept the Work Order at the rates offered by the L1 and so on.

## 5.22 Failure to abide by the Agreement

The conditions stipulated in the agreement shall be strictly adhered to and violation of any of the conditions will entail termination of the contract without prejudice to the rights of the Purchaser with such penalties as specified in the Bidding document and the Agreement.

## 5.23 Performance Bank Guarantee

- a. Within 15 days of the receipt of notification of award from the Purchaser, the successful Bidder shall furnish the performance security in accordance with the Terms & Conditions of Contract which shall be equal to 3% of the value of the Contract and in the Contract Performance Guarantee Bond prescribed as Annexure for Performance of Bank Guarantee towards Performance Security.
- b. Failure of the successful Bidder to comply with the requirement shall constitute sufficient grounds for the annulment of the award. In case of exigency, if the Purchaser gets the work done from elsewhere, the difference in the cost of getting the work done will be borne by the successful Bidder.

## 5.24 Rejection Criteria

Besides other conditions and terms highlighted in the tender document, bids may be rejected under the following circumstances:

- Pre-Qualification Rejection Criteria
  - Bids submitted without or with improper Tender Fees and/or Bid Security Declaration.
  - Bids which do not conform to unconditional validity of the bid as prescribed in the Tender.
  - If the information provided by the Bidder is found to be incorrect/misleading at any stage / time during the Tendering Process.
  - Any effort on the part of a Bidder to influence the bid evaluation, bid comparison or contract award decisions.
  - Bids received by the Purchaser after the last date and time prescribed for receipt of bids.
  - Bids without signature of person (s) duly authorized on required pages of the bid
  - Bids without power of authorization and any other document consisting of adequate proof of the ability of the signatory to bind the Bidder.
- Technical Rejection Criteria
  - Technical Bid containing commercial details.
  - Revelation of Prices in any form or by any reason before opening the Commercial Bid.
  - Failure to furnish all information required by the RFP Document or submission of a bid not

- substantially responsive to the Tender Document in every respect.
  - Bidders not quoting for the complete scope of Work as indicated in the Tender documents, addendum (if any) and any subsequent information given to the Bidder.
  - Bidders not complying with the Technical and General Terms and conditions as stated in the RFP Documents.
  - The Bidder not conforming to unconditional acceptance of full responsibility of providing services in accordance with the Scope of work and Service Level Agreements of this tender.
  - If the bid does not conform to the timelines indicated in the bid.
- Commercial Rejection Criteria
    - Incomplete Price Bid
    - Price Bids that do not conform to the Tender's price bid format.

### 5.25 Concessions permissible under statutes

Bidder, while quoting against this tender, must take cognizance of all concessions permissible under the statutes, failing which it will have to bear extra cost where Bidder does not avail concessional rates of levies. The Purchaser will not take any responsibility for this. However, Purchaser may provide necessary assistance, wherever possible, in this regard.

### 5.26 Income Tax Liability

The Bidder will have to bear all Income Tax liability both corporate and personal tax.

## 6. Terms of Reference

OCAC, Govt. Of Odisha has desired to connect 1629 different government offices to Odisha State Wide Area Network (OSWAN). These offices shall be called PoPs (Point of Presence) in OSWAN network. OSWAN shall be a secured network for the state of Odisha and would be based on MPLS and Leased Circuit.

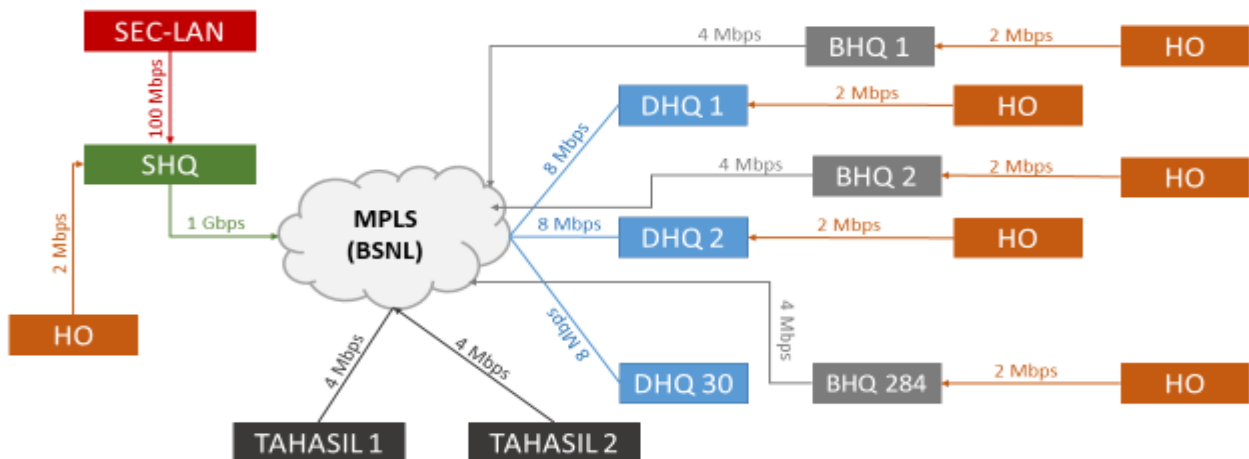

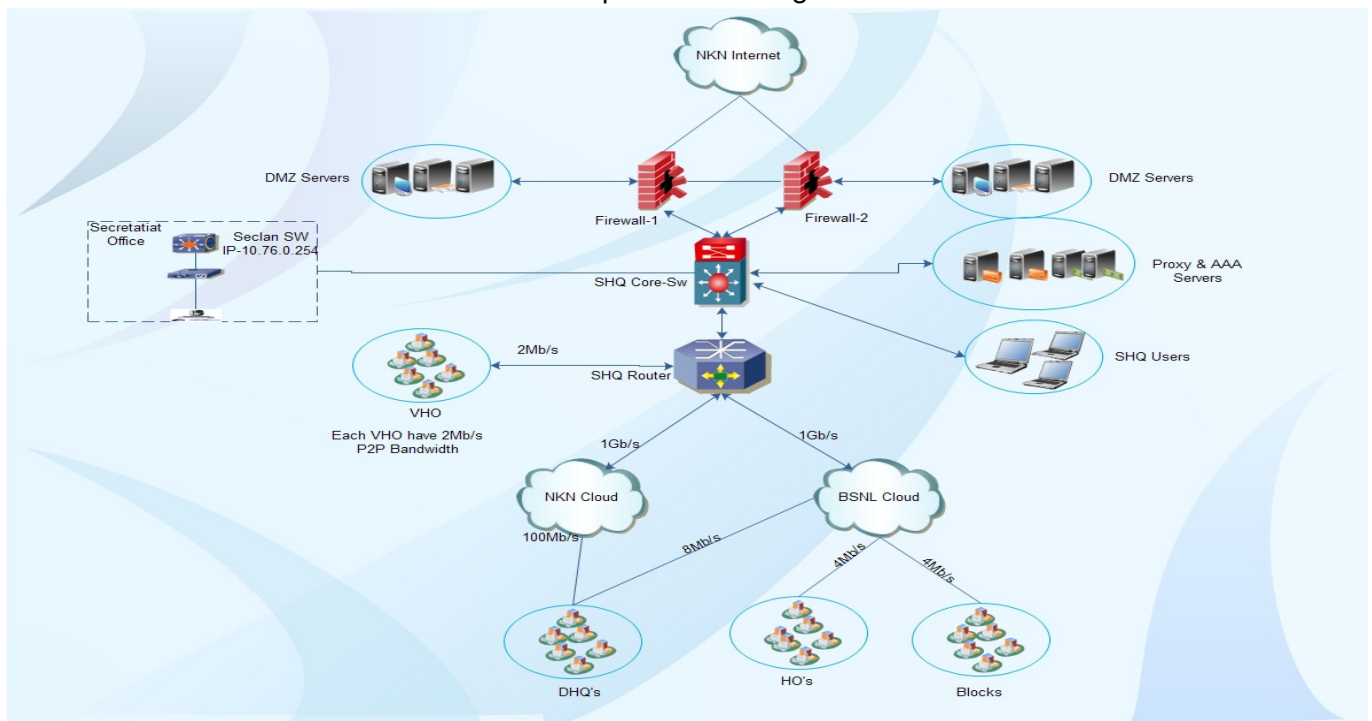

In order to implement OSWAN in Odisha, the breakups of these offices (PoPs) are given below:-

S#	PoPs	Total Number of Sites
1.	State Head Quarter (SHQ)	01
2.	District Head Quarter (DHQ)	30
3.	Block Head Quarter (BHQ)	284
4.	Tehsil Offices	347
5.	Registry offices under e-Registry ( DSRs/SRs/Ex-offices)	185
6.	Health Institutions (3 Medical Colleges, 32 DHQ Hospitals, 28 SDHQ, Hospitals and 314 Block CHCs)	375
7.	Treasury offices (District Treasuries/Sub-Treasuries/Special Treasuries)	165

8.	Urban Local Bodies (ULBs) under e-Municipality project (Municipal Corporation/Municipality/NAC)	103
9.	Sub-collector's offices	58
10.	Sadar Blocks	30
11.	DRDAs	30
12.	ADM offices at Bhubaneswar, Rourkela & Paradeep	03

### 6.1 Architecture design of OSWAN network

The Present OSWAN architecture is as per below design

## 6.2 Point of Presence (PoP) details

The Point of Presence (PoP) is a network distribution hub which is located in the State Headquarter (SHQ), District Headquarter (DHQ), Block Headquarter (BHQ) and Co-located offices. All the Internet/Intranet will be provided to various offices through PoPs.

The OSWAN Site details are given in **Annexure-1**.

## 6.3 Bill of Material

The OSWAN comprises of Router, Switch, Modems, NMS with required Servers / Storage, PCs, Rack, UPS, Servo Stabilizers, STM-1 CPE (AC Type) & STM-1 CPE (DC Type) etc. The detailed equipment list will be provided at the time of award. However additional equipment necessary for operation of the OSWAN in a later date will be provided to TPA for necessary action.

## 6.4 Network Management System (NMS) Details

The NMS module that is currently deployed for the OSWAN is as follows:-

- i. Monitoring
- ii. Fault Management
- iii. Response
- iv. Reporting
- v. Maintenance
- vi. Planning

## 6.5 Modules capability

The capabilities for the NMS modules are as under:-

- a) Monitoring: - Monitor critical IT infrastructure components, including system metrics, network protocols, applications, Services, Servers and network infrastructure
- b) Fault Management: - Send alerts when critical infrastructure components fail and recover, providing administrator with notice of important events. Alerts can be delivered via email, or custom script.
- c) Response: - IT staff can acknowledge alerts and begin resolving outages and investigating security alerts immediately. Alerts can be escalated to different groups if alerts are not acknowledged in timely manner
- d) Reporting: - Reports provide a historical record of outages, events, notification and alert response for later review. Availability reports can be generated as per requirement.
- e) Maintenance:-Scheduled downtime prevents alerts during scheduled maintenance and upgrade windows.

f) Planning: Trending and capacity planning graphs and reports allow you to identify necessary infrastructure upgrades before failures occur.

## 6.6 Key Stakeholders

Key stakeholders in this project are:-

- a. Department of Electronics & Information Technology
- b. Odisha Computer Application Centre
- c. Concerned Government Departments and Agencies
- d. BSNL- Bandwidth Service Provider
- e. OSWAN Operator

## 6.7 Scope of Work

TPA is required to provide at least two no. of dedicated Manpower for entire contract period in the State. It is expected that two persons need to be deployed at the SHQ location and further a team shall be required to undertake the site visits as per the requirements of the RFP. Arranging access to NMS and related systems shall be the State's responsibility. Further, the State shall provide office space at the SHQ location with facilities like furniture, power connection, internet, etc. The equipment for TPA's team (like laptop/workstation, printer etc.) shall be TPA's responsibility.

All the PoP equipment as per OSWAN scheme shall be under purview of this TPA contract. The details list of the same shall be provided to the selected TPA. For any additional equipment to be monitored within the existing PoPs, the TPA charges shall be as per mutual agreement between the state and TPA. For additional locations, per PoP charges shall apply.

Third Party Audit shall include monitoring the performance of the OSWAN with a view to ensure desired Quality of Service (QoS) by the Network Operator and Bandwidth Service Provider, as defined in the respective SLA's, signed between the State Government, with Bandwidth Service Provider & Network Operator. The TPA shall be appointed, preferably before the acceptance testing. The broad areas of work but not limit to, which TPA shall perform for a period of Three years from the date of final acceptance test of the network are:-

### **A. To understand the project, TPA would be required to:**

- a) Study the contract signed between the State, the Network Operator and Bandwidth Service Provider.
- b) Study the network architecture & design and the services envisaged.
- c) Review communication process among the stakeholders (State government, Implementation agency, OSWAN operator and Bandwidth service provider).
- d) Create frameworks and procedures for audit.
- e) Study the functionality of the Network Monitoring System (NMS) installed in the OSWAN and identifies the gaps, if any, required for TPA scope of work. The additional module/tool including

hardware/software required for the same will be procured by the State and TPA would assist the state with the procurement process for the same.

- f) Review of the escalation mechanisms being followed to resolve any issues between the State Implementing Agency and the Network Operator related to the OSWAN.

## **B. Infrastructure / Inventory audit**

- a. TPA audit would include verification of completeness of bill of material for each OSWAN location.
- b. TPA audit would include review that all hardware and software items have been installed at the sites as per the contract.
- c. TPA audit would include verification of the inventory register to OSWAN location wise equipment list, including hardware and software.
- d. TPA audit would also include updating inventory registry in event of any changes in the inventory.

Infrastructure / Inventory Audit is to be performed half-yearly and the relevant changes of the audit shall be recorded. OSWAN operator shall provide all inventory details to TPA through the State and TPA shall maintain a record at its end, which shall be updated by TPA based on information provided by the State. Also, the verification will be done through tools and through site visits as explained in RFP (20% of total site every year). These exercises would include review of documentation, physical verification and reports generation using NMS.

## **C. SLA Monitoring Audit**

SLA monitoring would include audit of the performance of network. Network includes the components provided and operated by the network operator and bandwidth provisioned by the bandwidth service provider. Subsequently, TPA would carry out the following tasks:-

- a. TPA audit would include preparation of templates for reports to be submitted by OSWAN operator to TPA / State and report to be submitted by the TPA to the State. TPA shall also tabulate measurable parameters as defined in the respective SLAs with the OSWAN operator and bandwidth service provider.
- b. TPA shall review the configuration/deployment parameters of the NMS and the process followed to ensure that the reports generated are authentic and fulfills the requirement.
- c. TPA would proactively convey to the stakeholders any concerns based on the information generated using NMS.
- d. TPA would provide quarterly certification of network availability and perform penalty computation for the calculation of QGR to be paid to the OSWAN operator as per the SLA and payment conditions mentioned in the agreement between OSWAN operator and the State (on quarterly basis).
- e. TPA would also undertake proactive monitoring of the links provided by the bandwidth service provider based on the SLA signed by the bandwidth service provider. The Agency shall submit reports on the same to the government who would use these reports for making the payments to the bandwidth service provider.

**D. Usage Audit**

- a. TPA would appraise the State about the health of the network through reports indicating the bandwidth utilization, scalability requirements as per the current and envisaged State level applications etc.
- b. Only the overall Recommendation for Expansion is covered under the purview of this contract. For detailed activities like designing, BoM, specifications etc., the State is expected to engage the concerned Agency separately.

**E. Security Audit**

- a. TPA would perform security audit of the SWAN as per the Guidelines issued by RFP for Selection of TPA for Odisha SWAN Project.
- b. Compliance against MeitY, Govt. of India and submit recommendations to the state indicating the risk elements in the network operations.
- c. The Agency would perform the penetration testing and vulnerability testing on the OSWAN network.
- d. The Agency would conduct the Security Audit on half yearly basis.
- e. All the tool and required software (professional version) for this Audit shall be TPA`s responsibility & TPA has to produce license agreement copy of the said tools / software to State before carried out the Security Audit.
- f. The Agency would review the rules and policies for network components such as firewall, IDS etc.
- g. The Agency would review the network security policy of the State and suggest recommendations if any.
- h. The Agency would review the policy of granting access to the SWAN network.

**F. Helpdesk &NMS audit**

- a. TPA audit would include review of the helpdesk setup by the Network Operator and would submit a Quarterly Report with recommendations to the State.
- b. The Agency would audit the network monitoring system (NMS) in place considering the configuration, report output, monitoring mechanism and data capture.
- c. TPA would assess whether the reports could be customized or modified through NMS.
- d. TPA would report to OCAC regarding any gap or recommendation in the NMS.

**G. Exit readiness audit and support**

This role is envisaged with the objective of ensuring preparedness of the State at all the time for any eventuality resulting in termination of contract. TPA audit includes advice in the event of exit of the OSWAN operator. The Agency would:

- a. Review the exit process as per the contract.
- b. Advise the State on documentation, process and procedures, necessary for taking over the network from the OSWAN operator.
- c. Provide advisory support during the transition period from the current OSWAN Operator to

the new operator.

d. Conduct audit readiness of the State for such an eventuality on a Half Yearly basis.

#### H. Performance and utilization audit

- a. TPA would assess the performance of the operator as per best practices, uptime / downtime of the network and compliance in terms of the agreement between operator and OCAC.
- b. TPA would assess and report the utilization of the hardware assets in terms of network services provided to the PoPs.
- c. TPA would report on quarterly basis and recommend any steps or measures to be taken against the gaps observed during the assessment.

#### I. Exit Management plan for TPA

TPA would share an EMP document with OCAC which would be utilized during the exit management period of the TPA. The document would include:

- a. Plans for provision of contingent support to the Department or its nominated agencies for a reasonable period after transfer for the purposes of providing service for replacing the Services.

### 8.5 Term and Extension of Term

The term under this Contract will be for a period of Nine Month which shall start from day of signing of the Contract. If required by the purchaser, an extension of the term can be granted to the supplier on mutual consent basis with existing terms and conditions.

### 8.6 Indemnity

The Selected Agency shall indemnify the Purchaser from and against any costs, loss, direct damages, expense, claims arising or incurred during and after the Contract period out of:

- a) Any infringement of patent, trademark/copyright due to Supplier's breach arising third party claim from the use of the reports/deliverables provided by Supplier or any party thereof provided that this indemnity shall not apply to in the following cases:
- b) The modification of Supplier's deliverables/reports provided hereunder by any person other than Selected Agency or its personnel (b) Purchaser's failure to use any modification to Supplier's deliverables/reports made available by Empanelled Agency where use of such modification would have avoided the infringement;

- c) Information, materials instructions or specifications that are themselves infringing which are provided by or on behalf of the Purchaser or which Purchaser's requests or requires Supplier to use; or
- d) The use of Supplier's deliverables/reports in a manner not agreed to hereunder; Provided that Purchaser shall give Supplier written notice of any such claim and sole control over the defense of any such clause.
- e) Purchaser shall indemnify and hold harmless the Supplier, its affiliates and member firms for all losses, claims, damages, expenses incurred in connection with any third party claim or liabilities, except to the extent finally judicially determined to have resulted primarily from the fraud or bad faith of the Supplier.

### 8.7 Limitation of Liability towards the Purchaser

Neither Party shall be liable to the other Party for any indirect or consequential loss or damage (including loss of revenue and profits, loss of use, contracts, data, goodwill whether or not deemed to constitute direct losses) arising out of or relating to the Contract.

Except in the case of gross negligence or willful misconduct on the part of the Supplier or on the part of any authorised person acting on behalf of the Supplier executing the work or in carrying out the Services under this Contract, under no circumstances shall the Supplier's, total aggregate liability for any claims or losses or damages arising out of or in relation to this Contract whether in contract, tort or otherwise or with respect to damage caused by the Supplier including to property and/or assets of the Purchaser or of any of Purchaser's vendors shall regardless of anything contained herein exceeds (A) the Contract Value or (B) the proceeds the Supplier may be entitled to receive from any insurance maintained by the Supplier to cover such a liability, whichever of (A) or (B) is higher. For the purposes of this Clause, "Gross Negligence" means any act or failure to act by a Party which was in reckless disregard of or gross indifference to the obligations of the Party under the Contract and which causes harmful consequences to life, personal safety or real property of the other Party which such Party knew, or would have known if it was acting as a reasonable person, would result from such act or failure to act.

Notwithstanding the foregoing, Gross Negligence shall not include any action taken in good faith for the safeguard of life or property. "Willful Misconduct" means an intentional disregard of any provision of this Contract which a Party knew or should have known if it was acting as a reasonable person, would result in harmful consequences to life, personal safety or real tangible property of the other Party but shall not include any error of judgment or mistake made in good faith.

### 8.8 Termination of Contract

#### A. Terms of Contract

- a. OCAC without prejudice to any other remedy for breach of Contract or noncompliance with service levels, by written notice of default sent to the Supplier, may terminate the Contract fully or in part:
  - If the Supplier fails to deliver any or all contracted services as per service Standards specified in the Contract or
  - If the Supplier fails to perform any other obligation(s) under the Contract as per the contract timeline and for the period of contract, or
  - If the Supplier has engaged in corrupt or fraudulent practices in competing for or in executing the Contract

In the event OCAC terminates the Contract in whole or in part, OCAC may procure, upon such terms and in such manner as it deems appropriate, services similar to those undelivered, and the selected Bidder shall be liable to OCAC for any excess costs for such similar services. However, the Bidder may continue performance of the Contract to the extent not terminated. OCAC would not be liable to pay any damages to the selected Bidder in cases comprising Termination for default.

In the case it leads to termination for default, Odisha Computer Application Centre, Odisha will give 30 days' notice to the Supplier of its intention to terminate the Contract and shall so terminate the Contract unless during the 30 days' notice period, the Bidder initiates remedial action acceptable to the Odisha Computer Application Centre.

b. In case of delays in the project not attributable to the TPA, OCAC may take final decision on the additional costs for the time overrun on a monthly basis (computation will be as per the quarterly payment). In case of inordinate delays beyond 15 months from the date of issue of the work order, not attributable to the TPA, the TPA would be permitted to hand over the due project deliverables at that point of time to OCAC and withdraw from the project after receiving the fees based on completed milestones.

#### **B. Termination for insolvency**

OCAC may at any time terminate the Contract by giving written notice to the selected Bidder / if the selected Bidder / becomes bankrupt or otherwise insolvent. In this event, termination will be without compensation to the selected Bidder, provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the OCAC.

#### **C. Termination for Convenience**

OCAC, by written notice of 30 days sent to the Supplier, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for its convenience. In case of termination for convenience, OCAC would pay to the Supplier the cost, based on the milestones and delivery percentages as per work order and for milestones and deliverable for which only part of work has been completed by the Supplier at the time of force closure, fee based on the proportion of the work completed by bidder will be paid. The PBG in such a case would be refunded to the successful bidder.

### **8.9 Force Majeure Condition**

The successful Bidder shall not be liable for forfeiture of its Performance bank guarantee, Liquidated Damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

For purposes of this clause, "Force Majeure" means an event beyond the control of the Bidder and not involving the successful Bidder fault or negligence, and not foreseeable. Such events may include, but are not restricted to, acts of the OCAC in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

If a Force Majeure situation arises, the Bidder shall promptly notify the authorized representative of OCAC in writing of such condition and the cause thereof. Unless otherwise directed by the authorized representative of OCAC in writing, the Bidder shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

### 8.10 Resolution of Disputes

- a) The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation on any disagreement or dispute arising between them under or in connection with the Contract.
- b) If, after thirty (30) days from the commencement of such informal negotiations, the Purchaser and the Supplier have been unable to resolve amicably a Contract dispute, the dispute should be referred to the Chief Executive Officer, OCAC for resolution.
- c) If, after thirty (30) days from the commencement of such reference, Chief Executive Officer, OCAC have been unable to resolve amicably a Contract dispute between the Purchaser and the Supplier, either party may require that the dispute be referred to the Principal Secretary to Govt., E&IT Department, Govt. of Odisha.
- d) Any dispute or difference whatsoever arising between the parties (Purchaser and Supplier) to the Contract out of or relating to the construction, meaning, scope, operation or effect of the Contract or the validity of the breach thereof, which cannot be resolved through the process specified above, shall be referred to a sole Arbitrator to be appointed by mutual consent of both the parties herein. In the event the parties cannot agree to sole arbitrator, such arbitrator shall be appointed in accordance with the Indian Arbitration and Conciliation Act, 1996.

### 8.11 Governing Law and Jurisdiction

This agreement and all questions of its interpretation shall be construed in accordance with the Laws of India in the High Court at Cuttack having jurisdiction. Suits, if any arising out of the contract/ agreement shall be filed by either party in a court of Law to which the Jurisdiction of the High Court of Odisha extends.

### 8.12 Tender Prices and Taxes

The Supplier will be responsible for the payment of taxes and other statutory levies payable under any or all of the statutes/ laws/acts etc. now or hereafter imposed. Payment will be made to the Supplier after deduction of Taxes at Source as per the present laws.

However, if there is a change in taxation policy by the Government then only the tax component part will be change based on as per the current prevailing policy to the base consultancy cost value deducting if any penalty.

### 8.13 Payment Terms

The payment to the selected TPA shall be processed on a quarterly basis on submission of report and fulfillment of other contractual obligations subject to the approval of competent authority and payments scrutiny committee constituted by OCAC. The payment will be made through NEFT/RTGS only.

Sl.No.	Activity	Amount to be released
1	End of Every Quarter	The total contract / agreement value would be divided in to 12 quarters.

### 8.14 Penalty

- a. The time schedule for the entire project and for the major activities will be agreed upon for the project between OCAC and the TPA.
- b. In case of any delay solely on account of TPA fault a penalty of 10% will be imposed for delay of every twelve (12) weeks or part thereof, subject to a maximum of Thirty Six (36) weeks" delay from the scheduled target date.

Sl. No.	Activity	Amount to be penalized
1	Delay in deliverable / activities	10% of the QGR value for every 12 weeks of delay. The maximum penalty levied upon TPA would not be more than the value of QGR.

- c. Beyond a delay of thirty six (36) weeks, OCAC reserve the right to either terminate the project:
  - In the event of OCAC deciding to continue the project, the TPA should complete the OSWAN independent audit and performance monitoring project without any extra fee for the specific period.
  - In the event of State deciding to terminate the project, OCAC reserves the right to invoke the bank guarantee submitted by the TPA and initiate action to recover the balance penalty amount.
