SYS-CC-CC-0002-2021- 3564 Bhubaneswar, Dated April 05, 2021

### Clarifications

Clarifications are hereby issued in respect of the queries received from the firms by e-mail within due date and time and as discussed in the virtual pre-bid meeting held at 3PM on March 31, 2021.

Sl.	RFP No.	Clause	Query	Response
1	3178 dated March 22, 2021	EMD	In this connection, we would like to inform you that as per the current Govt. Notification, EMD is not applicable for all the tenders. In place of EMD only the 'Bid Security Declaration' is supposed to be given by the Bidders. Copy of Govt. Notification/ Office Memorandum for EMD is attached herewith for your reference.	In case the bidder has MSME registration certificate, EMD is not applicable. Proof of MSME registration and relevant Govt circular showing exemption from payment of EMD must be submitted. But the bidder has to pay the Bid Processing Fees positively.
2	-ditto-	Technical specifications	You have mentioned the ' <b>Piezoelectric Technology</b> '. You are also requested to amend the clause in the Technical Specifications to read as ' <b>Piezoelectric Technology/ Strain Gauge Technology</b> ' in place of existing specification.	The specification will remain unchanged and shall be as mentioned in the RFP. Superior technology can or may be considered in the technical bid if duly justified by the vendor in their proposal.
3	-ditto-	Technical specifications	' <b>Piezoelectric Technology</b> ': In order to include more force plates, this clause may be modified as ' <b>May have STRAIN Gauge Technology or Piezoelectric technology should record 3D Forces for each Leg separately</b> '. This clause may be modified, ' <b>May record Vertical forces (1 D) for jump analysis or may record 3D forces for each leg</b> '	-ditto-

SI.	RFP No.	Clause	Query	Response
			<p><b>'Data Acquisition System'</b> It may be modified as <b>'data acquisition system must be contained within the Force plates, so they simply use a USB connection direct to the computer (no external Data Acquisition System required)'</b></p> <p><b>'Synchronization with 3 D Motion Analysis'</b> It may be modified as <b>'May be used in real time with 3 D Motion Analysis for different tests for enhance reporting'</b></p> <p><b>'PC i7 with minimum 16 GB RAM, 32-inch Monitor...'</b> THIS MAY BE DELETED as many systems do not come up with Laptop &amp; the Laptop may be purchased in addition or need to supply separately. This may be modified as <b>'SMART TV with 43 Inch Screen with HDMI capacity'</b></p>	

No queries have been received from any firm regarding the RFP No. 3179, 3180, 3181 and 3182.
