- 6.2 The Security Deposit (Bank Gurantee) will be returned back to the tenderer after the expiry of completion of the supply/installation and quality testing or after the expiry of warranty period, whichever is later.

**TENDER CONDITIONS:**

- 7.1 The details of the items required with specification and tendered quantity are shown in **Annexure-III**. **The quantity mentioned is only the approximate requirement and may be increased or decreased as per the decision of the Director of Geology, Odisha, Bhubaneswar.** The materials supplied by manufacturers will have preference over others.
- 7.2 Tender documents should be computerized and every correction in the tender should invariably be attested by full signature of the tender with date before submission, failing which the tenderer will not be eligible for further consideration. Correction done if any should also be duly attested.
- 7.3 The tenderers should quote the rates for the items described as per the specification. **(Annexure-III)**
- 7.4 Price quoted should be inclusive of excise duty, customs duty (in case of imported materials), transportation charges, incidental charges, VAT, CST, Entry Tax and Service Tax (if applicable) quoted for each of the required items separately on F.O.R. (Door Delivery) basis in prescribed format as in **(Annexure-II)**. However correct rate of Tax regarding VAT, CST, ET & Service Tax (if any) should be shown separately. No tender for the supply items with conditions like **"AT CURRENT MARKET RATES"** shall be accepted and no tender in which the rate is quoted for a unit other than the one asked for shall be considered.
- 7.5 The tenderer should deliver the tendered items at the Directorate of Geology, Bhubigyan Bhawan, Bhubaneswar. Installation charges will be borne by the supplier.
- 7.6 The rates should be quoted in **Indian Currency** only both in words and figures against each item. The Tenderer shall not quote his own rates for any item other than the item specified in this list. **Price quoted in any other currency will be rejected.**
- 7.7 The price quoted by the tenderers shall not in any case, exceed the price, if any, fixed by Central / State Government and the Maximum Retail Price (MRP).
- 7.8 To ensure sustained supply without any interruption, the Director of Geology, Odisha, Bhubaneswar reserves the right to split orders for supplying the requirements among more than one tenderer after due recommendation of the Purchase Committee.

- 7.9 The rates quoted and accepted will be binding on the tenderer for the current financial year and on no account, any increase in the price will be entertained during bid validity period i.e. 31<sup>st</sup> March 2016.
- 7.10 No tenderer shall be allowed at any time on any ground whatsoever to claim revision of or modification in the rates quoted by him. Clerical error, typographical error etc. committed by the tenderers in the tender forms shall not be considered after opening the tenders. Conditions such as **“SUBJECT TO AVAILABILITY”** **“SUPPLIES WILL BE MADE AS AND WHEN SUPPLIES ARE RECEIVED”** etc. will not be considered under any circumstance and the tenders of those who have given such conditions shall be treated as incomplete and for that reason, shall be summarily rejected.
- 7.11 If at any time during the period of contract, the price of tendered items is reduced or brought down by any law or act of the Central or State Government or the tenderer the tenderer shall be morally and statutorily bound to inform the Director of Geology, Odisha, Bhubaneswar immediately about such reduction in the contracted price. The Director of Geology, Odisha is empowered to unilaterally effect such reduction as is necessary in rates in case the tenderer fails to notify or fails to agree for such reduction of rates.
- 7.12 Approved list of materials with terms and conditions and the quoted price of the tenders shall remain valid till the end of financial year 2015-16.
- 7.13 If any information or document furnished by the tenderer along with the tender papers are found to be misleading or incorrect at any stage the tenderers of the relevant items in the approved list shall be cancelled and steps will be taken to black list the said firm for three years and legal actions will be taken against the firm as per law.
- 7.14 If the manufacturing licence and other relevant documents/certificates which are required to be furnished along with the tender are written in language other than English, Hindi and Oriya the tendering firm shall furnish English version of such documents/certificates duly attested by a Gazetted Officer/Notary Public with his seal and signature.
- 7.15 In the event of the date being declared as a holiday for Govt. of Odisha the due date of submission of bids and opening of bids will be the following working day at the appointed place and time.

**GENERAL CONDITIONS:**

- 8.1 The tenderer should submit/furnish a certificate along with the tender to the effect that price quoted by him/them is not more than the open market price or also not more than the contract rates of D.G.S.& D. or EPM. (**Annexure – VIII**)
- 8.2 All the tendered items must be covered with a warranty period of 1 (one) year. Any items if found to be not in working condition, broken or rusted within warranty period will be returned back to the supplier for replacement. If the supplier fails to replace action as per Clause 12.1, 12.2 will be taken against the supplier.

**QUALITY TESTING:**

- 9.1 Each tendered item will be chosen at the point of supply or distribution/storage points for testing. The expenditure towards packing, forwarding & testing fees will be borne by the supplier.
- 9.2 The supply will be deemed to be completed only on receipt of the quality certificates from the committee. If the samples do not confirm to specification or standard quality, the tenderer will be required to replace the entire quantity of the material declared NSQ (Not of Standard Quality) and take back the available stock (unused) within a period of 15 days of the issue of the letter from the Directorate of Geology, Odisha. The Director of Geology, Odisha has the right to destroy such sub-standard materials, if the tenderer does not take back the balance materials within 15 days of issue of the letter.
- 9.3 If the supplier does not replace the Not of Standard Quality stock, it will be derecognized for that product and no further supplies will be accepted from him or order placed to him. The tenderer shall also not be eligible to participate in tender process of the Directorate of Geology, Odisha for supply of mechanical spare parts for a period of 3 years. Any amount (price) received by the firm for that product (Not of Standard Quality) must be returned to the Director of Geology within 15 days from the date of issue of the order failing which the amount so received will be adjusted from any other dues payable to the supplier concerned or from the EMD and security money deposited by the firm as the case may be.
- 9.4 The tenderes should clearly understand that the decision of the Director of Geology, Odisha or any officer authorized by him as to the quality of the supplied tendered items shall be final and binding.

**ACCEPTANCE OF TENDER AND SUPPLY CONDITIONS:**

- 10.1 The Director of Geology, Odisha reserves the right to reject the tenders or to accept the tenders for the supply of all items or for any one or more of the items tendered for in the tender without assigning any reason.
- 10.2 The Director of Geology, Odisha will be at liberty to terminate without assigning any reasons the contract either wholly or in part. The renderers will not be entitled to any compensation whatsoever in such termination.
- 10.3 Purchase order shall be sent to the approved supplier by Regd. Post /Speed Post.. Supply of mechanical spare parts should be completed within 15 days time from issue of purchase order. If no supply is received within specified time in the Directorate of Geology, Odisha, such orders would stand cancelled automatically without further notice. Penalties shall also thereafter apply to the tenderer as specified in Clause No. 12.1. He shall also suffer forfeiture of the Security Deposit.
- 10.4 If the approved supplier fails to execute the supply within the stipulated time, the Director of Geology, Odisha is empowered to make emergency purchases and claim the difference from the approved suppliers in addition to other penal clause
- 10.5 Items having ISI mark and BIS Certificate will be preferred to other items. All bidders must have to produce Market Standing Certificate.
- 10.6 The Director of Geology, Odisha or his authorized technical Committee has the right to inspect the factories of those companies who have quoted for the tender to ascertain the performance of the mechanical spare parts before releasing any purchase orders or at any point of time during the validity period of tender and has also the right to reject the tender or terminate/cancel the orders issued based on facts brought out during such inspections.
- 10.7 Selection of item will be done taking into consideration the quality, past performance as well as the price of the product.

### TERM OF PAYMENT

- 11.1 No advance payment towards cost of selected items will be made to the tenderer.
- No payment will be made to the supplier if he has not deposited the unconditional performance security (Bank guarantee) @ 10% of the quoted value and warranty for 1(one) year from the date of supply of materials..
- 11.2 Payment towards 100%(hundred percent) of total value of the supplied items shall be made on receipt of stock entry certificate and after satisfactory performance certificate furnished by the technical committee constituted by the Director of Geology, Odisha, subject to submission of Bank Guarantee.
- 11.3 No claim shall be made against the Director of Geology, Odisha, Bhubaneswar in respect of interest on earnest money deposit or security deposit.

### PENALTIES:

- 12.1 If the successful tenderer fails to execute the agreement and / or fails to deposit the required security within the time specified or withdraws his tender after acceptance of his tender, owing to any other reasons, he is unable to undertake the contract, his contract will be cancelled and the earnest money deposited by him along with his tender shall stand forfeited and he will also be liable for all damages sustained by the Director of Geology, Odisha, Bhubaneswar by reasons of such breach, such as failure to supply/delayed supply including the liability to pay any difference between the prices accepted by him and those ultimately paid for the procurement of the articles concerned. Such damages shall be assessed by the Director of Geology, Odisha, Bhubaneswar whose decision is final and binding in the matter.
- 12.2 If any articles supplied by the tenderer have been partially or wholly used or consumed after supply and are subsequently found to be in bad order, unsound, inferior in quality or description or are otherwise faulty or unfit for consumption/use and rusted then the contract price or prices of such articles on full will be recovered from the tenderer, if payment had already been made to him. The tenderer will not be entitled to any payment for that item and no further order will be given to him. For infringement of the stipulations of the contract or for other justifiable reasons, the contract may be terminated by the Director of Geology, Odisha, Bhubaneswar

and the tenderer shall be liable for all losses sustained by the Director of Geology, Odisha, Bhubaneswar in consequence of the termination which may be recovered from the Security Deposit made by the tenderer or other money due or become due to him.

12.3 Supply of sub-standard items or non-performance of tender terms and conditions will disqualify a firm to participate in the tender for the next three years.

12.4 In the event of any dispute arising out of the tender, such disputes would be subject to the jurisdiction of the Civil Court, Bhubaneswar or High Court, Odisha only.
