GOVERNMENT OF ODISHA WORKS DEPARTMENT

REQUEST FOR PROPOSAL

SELECTION AGENCY FOR PROVIDING COMPREHENSIVE FACILITY AND MANAGEMENT SERVICES (CFMS) FOR MISSION SHAKTI BUILDING, ODISHA, BHUBANESWAR.

Superintending Engineer, Bhubaneswar R&B Division-II

Disclaimer and Confidentiality

This Request for Proposal (RFP) Document has been prepared by Office of the Superintending Engineer, Bhubaneswar R&B Division-II, Bhubaneswar (herein referred to as CLIENT) solely for the purpose of providing information to potential bidders. It is provided on a confidential basis and is not to be distributed or reproduced in whole or in part without the prior written consent of the Client.

The information contained in this RFP document (the "RFP") or subsequently provided to Bidder(s) whether verbally or in documentary or any other form by or on behalf of Client or any of their employees or advisors, is provided to Bidder(s) on the terms and conditions set out in this RFP and such other terms and conditions subject to which such information is provided.

This RFP is not an agreement and is neither an offer nor invitation by "CLIENT" to prospective Bidder/s. The purpose of this RFP is to provide interested bidders with information that may be useful to them in preparing their proposal i.e. Eligibility/Technical Proposal, Documents and Financial Proposal (the "Bid") pursuant to this RFP. This RFP includes statements, which reflect various assumptions and assessments arrived at by "CLIENT" or their advisors in relation to the Project. Such assumptions, assessments and statements do not purport to contain all the information that each Bidder may require. It is intended to be used as a guide only and does not constitute advice, including without limitation, investment or any other type of advice. This RFP may not be appropriate for all persons, and it is not possible for "CLIENT", its employees or advisors to consider the investment objectives, financial situation and particular needs of each party who reads or uses this RFP. The assumptions, assessments, statements and information contained in this RFP may not be complete, accurate, adequate or correct. Each Bidder should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments, statements and information contained in this RFP including annexures/attachments/ amendments and obtain independent advice from appropriate sources. "CLIENT" and its advisors assume that any person who reads or uses this document is capable of evaluating the merits and risks of any investment or other decision with respect to a financial/property transaction, operation, its suitability and its financial, taxation, accounting and legal implications without any reliance on this document.

Information provided in this RFP to the Bidder/s is on a wide range of matters, some of which depend upon interpretation. The information given is not an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law.

This document may contain information prepared by third parties. Figures, calculations and other information contained in this document that has been provided to "CLIENT" by third parties have not been independently verified by "CLIENT". Any projections or analyses represent best estimates only and may be based on assumptions, which, while reasonable, may not be correct. Past performance of any property or market information, if any, described in this document is not a reliable indication of future performance of such property. Bidders should not rely on any information contained in this document as a statement or representation of fact and must make their own enquiries to verify and satisfy themselves of all aspects of such information, including without limitation, any income, fee/rentals, dimensions, areas, zoning and permits. While the information in

this document has been prepared in good faith and with due care, no representations or warranties are made (express or implied) as to the accuracy, currency, completeness, suitability or otherwise of such information. "CLIENT", its advisors, officers, employees, subcontractors and agents shall not be liable (except to the extent that liability under statute or by operation of law cannot be excluded) to any person for any loss, liability, damage or expense arising directly or indirectly from or connected in any way with any use of or reliance on such information.

"CLIENT" accepts no responsibility for the accuracy or otherwise for any interpretation or opinion on law expressed herein. "CLIENT", its employees and advisors make no representation or warranty and shall have no liability to any person, including any Bidder or Bidders under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expense which may arise from or be incurred or suffered on account of anything contained in this RFP or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the RFP and any assessment, assumption, statement or information contained therein or deemed to form part of this RFP or arising in any way during the Bidding Process.

"CLIENT" also accepts no liability of any nature whether resulting from negligence or otherwise, howsoever caused arising from reliance of any Bidder upon the statements contained in this RFP.

"CLIENT" may in its absolute discretion at any time, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumptions contained in this RFP. "CLIENT" may also withdraw or cancel the RFP at any time without assigning any reasons thereof.

"CLIENT" reserves the right, without any obligation or liability, to accept or reject any or all applications, at any stage of the selection process, to cancel or modify the process or any part thereof, or to vary any or all the terms and conditions at any time, without assigning any reason whatsoever.

The issue of this RFP does not imply that "CLIENT" is bound to select service provider or to appoint the successful service provider, as the case may be. "CLIENT" reserves the right to reject all or any of the Bidder/s or Bids without assigning any reason whatsoever. The Bidder shall bear all its costs associated with or relating to the preparation and submission of its Bid including but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations which may be required by "CLIENT" or any other costs incurred in connection with or relating to its Bid. All such costs and expenses will remain with the Bidder and "CLIENT" shall not be liable in any manner whatsoever for the same or for any other costs or other expenses incurred by a Bidder in preparation or submission of the Bid, regardless of the conduct or outcome of the Bidding Process.

		purpose	
5	Technical Presentation		20
6	Quality Standards / Certifications for the Service	ISO 9001 (relating to Facility Management services) = 2.5 Mark & ISO 14001-2015 Certifications = 2.5 Mark	5
7	Occupational health & Safety & Social Accountability Certification for the service	OHSAS 45001:2018 = 2.5 Mark & SA 8000:2014 = 2.5 Mark (relating to Facility Management services Certifications)	5

Bidders who score more than **70%** marks shall be considered for further evaluation.

1.2.6 Proposal Preparation Cost

1.2.6.1 The bidder shall be responsible for bearing all the costs and expenses associated with the preparation of its proposal and participate in the bidding process. Client shall not be responsible, or in any way liable for such costs/expenses, regardless of the conduct or outcome of the bidding process.

1.2.7 Project Inspection and Site Visit

1.2.7.1 The Bidder, at his own responsibility and risk can visit, and examine the location of the site and its surroundings, and obtain all information that may be necessary for preparing the proposal. The costs of visiting the site shall be borne by the Bidder. Client shall not be liable for such costs, regardless of the outcome of the bidding process.

1.2.8 Only One Proposal

1.2.8.1 Each bidder will submit only one proposal. Alternative bid is not allowed. Consortium / Joint venture of any form is not allowed under this bidding process

1.2.9 Taxes

1.2.9.1 The financial proposal /bid shall be exclusive of applicable Goods & Services Tax (GST).

1.2.9.2 As a condition, precedent for reimbursement of the GST, the FMS shall provide a valid GSTIN and raise GST compliant Tax Invoice to the Client.

1.2.9.3 The financial liability on account of any other applicable taxes, as may be applicable on the amounts received by the FMS from Client shall be solely borne by the FMS. The FMS alone shall be responsible in all respects for the payment of all taxes including Income Tax etc. in a timely manner and filing the returns in respect thereof as per the applicable laws. Client shall not bear any responsibility in this regard.

1.2.9.4 However, towards compliance with the applicable Tax laws, Client shall deduct TDS

as applicable from the payments to be made by Client to FMS and a certificate shall be made available to the FMS in support of the evidence.

1.3 Bidding Instructions

1.3.1 Brief Description of Bidding Process

1.3.1.1 The proposal/bid against the RFP would be completed through single stage two envelope systems:

A. Request for Proposal (RFP) –
RFP comprises of following two parts as briefed below:

a. Part 1: Technical Proposal

- The Technical Proposal of bidders will be evaluated for compliance with the eligibility criteria and further technical evaluation as defined in the RFP. The bidders fulfilling the eligibility criteria and technical evaluation conditions shall be considered as technically qualified. These technically qualified bidders would only be considered for Financial Proposal evaluation.

- Bidders are requested to refer Clause 1.3.6 & 1.7.1

b. Part 2: Financial Proposal

- Financial Proposal of technically qualified bidders (based on technical proposal and technical evaluation as indicated above) will only be opened and evaluated.

- Bidders quoting Lowest Bid Value i.e. L1 for first year of service among technically qualified bidders shall be selected as successful bidder.

- Bidders are requested to refer Clauses 1.3.7 & 1.7.2

B. Proposal validity shall be as per duration specified in Clause 1.14

1.3.1.2 During the Bidding Process, the bidder will be requested to submit their Proposals pursuant to this RFP in accordance with the terms set forth in this RFP, all the Volumes, Appendices and Addenda thereof issued by “CLIENT” as part of this Bidding Process (collectively the "Bidding Documents"), as modified, altered, amended and clarified from time to time by Client. All Proposals shall be prepared and submitted in accordance with such terms. There should not be any overwriting allowed in the Financial Bid.

1.3.1.3 Client reserves the right to reject the proposal which does not meet the requirement of the selection process. Any further extension of the proposal validity period shall be with the consent of the bidder. Further details of the process to be followed during the Bidding Process and the terms thereof are spelt out in this RFP.

1.3.2 Special Instructions for Preparation of Proposal

i. Language : - The proposal and supporting documents shall be in English language unless otherwise specified. Proposals submitted in languages other than English will be rejected.

ii. Currency : - Bidders shall express the price of their Financial Proposal in India Rupees (INR) only.

iii. All Bidders are required to submit their proposal in accordance with the guidelines set forth in this RFP. In order to promote consistency among proposals and minimize potential misunderstandings regarding interpretation of proposals by Client, the format in which bidders have to specify the fundamental aspects of their Proposal have been outlined in this RFP.

iv. The technical proposal shall contain no interlineations or overwriting, except as necessary to correct errors made by Bidder/s. Any such corrections, interlineations or overwriting must be initialed by the authorized representative of the bidder. There should not be any overwriting in the financial bid. Client's decisions in this regard will be final.

v. In preparing their Proposal, bidders are expected to examine in detail all the documents comprising the RFP. Material deficiencies in providing the information requested may result in rejection of a Proposal. While preparing the Technical Proposal, Bidders must give particular attention to the following:

- The bidder must physically visit the project location to have a clear understanding of the proposed facilities and the nature of services required, financial and technical implications.
- While making the proposal, the bidder must ensure that they provides all the information as sought by Tender Inviting Authority, failing which the proposal shall be considered as non-responsive.
- Detail working of the lump sum price must be submitted along with the Financial Proposal.
- The Bidder shall also submit, along with their Proposal, a copy of this RFP bearing the initials of the Authorized Signatory of the Bidder and stamp of the entity thereof on each page of these documents i.e. RFP. This shall indicate that the Bidder agrees to abide by all terms & conditions specified in the RFP.

vi. It shall be deemed that prior to the submission of the Proposal, the Bidder has:

- a)** Made a complete and careful examination of terms and conditions / requirements, and other information as set forth in this RFP document;
- b)** received all such relevant information as it has been requested from Client; and c) made a complete and careful examination of the various aspects of the Project.

vii. No change in or supplementary information to a Proposal shall be accepted after the Proposal Due Date. However, Client reserves the right to seek additional information from the Bidders, if found necessary, during the course of evaluation of the Proposal. In case of non-submission, incomplete submission or delayed submission of such additional information or clarifications sought by Client, the Proposal would be evaluated solely on the basis of available information.

viii. Client shall not be liable for any mistake or error or neglect by Bidder in respect of the above.

ix. Client reserves the right to reject any or all proposals without assigning any reason whatsoever.

x. Client also reserves the right to terminate the Bidding Process at its discretion under intimation to the Bidders submitting the Proposals, without assigning any reasons for the same.

xi. Client reserves the right to verify any or all information furnished by the Bidder.

xii. Notwithstanding anything stated in this RFP, if any claim made or information provided by the Bidder in the Proposal or any information provided by the Bidder in response to any subsequent query by Client, is found to be incorrect or is a material misrepresentation of facts, then the Proposal will be liable for rejection.

xiii. The Bidder shall be responsible for all costs associated with the preparation of the Proposal. Client shall not be responsible in any way for such costs, regardless of the conduct or outcome of the Bidding Process.

1.3.3 Submission of queries

Any queries or request for additional information concerning this RFP shall be submitted by email within the timeline as provided in the Bidder Data Sheet, to the designated authority as provided here under:

Contact Person: Er Trinath Behera

Contact Number: - 9437011000

Email for communication: eerb2_bbsr@yahoo.com

The email subject/communications shall clearly bear the following identification/title:

"Queries /Request for Clarification: Selection of Agency for Comprehensive facility Management Services (CFMS) at Mission Shakti Building, Odisha, Bhubaneswar"

The Bidder shall mention the name of firm and contact details of their representative on the envelope/email while sending queries:

The queries should necessarily be submitted in the following format:-

RFP Document Reference(s) (Section & Page Number(s))	Content of RFP requiring Clarification(s)	Points of clarification

Any requests for clarifications after the bid submission date shall not be entertained.

1.3.4 Clarification and Amendment of RFP document

On the basis of the inputs provided by Bidders during Pre-bid meeting and any further discussions with any/all interested parties, which Client may hold at its own discretion; Client may amend the RFP document. The clarifications to the list of queries along with addendums if any, will be uploaded on the websites as mentioned in the Bidder Data Sheet of this RFP in the form of Pre-Bid Clarification. Each such clarification shall be the part of the RFP document.

At any time prior to the deadline for submission of bid, Client may, for any reason, whether at its own initiative or in response to clarifications requested by one or more of the interested parties, modify the RFP document by way of issuance of an "Addendum".

1.3.5 Bidder/s submission in support of Eligibility

Bidder shall submit the signed checklist for eligibility criteria as per Form-T2 along with requisite documents as indicated in the clause 1.2.4 (Eligibility Criteria)

1.3.6 Submission for Technical Proposal

Bidders are required to submit Technical Proposal as per the prescribed format as provided in Section-4 of the RFP Document. Submission of wrong form of technical proposal will result in the rejection of the bid. The Technical Proposal shall provide the information indicated in the following para using the attached Standard Forms as per Section 5.

The following Forms needs to be submitted along with the technical proposal:

Formsno.	Format Details
FORM-T1	Covering Letter
FORM-T2	A:Bidder's Organization
	B:FinancialCapacityof the Bidder
FORM-T3	PowerofAttorney
FORM-T4	Past Experience in Similar Sector
FORM-T5	Undertaking
FORM-T6	Scope of the Work
FORM-T7	Commitment for proposed Equipment and Materials
FORM-T8	Proposed manpower deployment plan and standard operating procedure
FORM-T9	Quality control mechanism
FORMT10	Anti-Collusion Certificate

1.3.7 Submission for Financial Proposal

- i. The Financial Proposal shall be prepared using the attached Standard Forms as per [Section 6](#).

FormsNo.	Enclosures to Financial Proposal
FORMF1:	Financial Proposal Submission Form
FORMF2:	Financial Bid
FORMF3:	Detail Break Up of Financial Offer

- ii. The financial proposal shall not include any conditions attached to it and any such conditional financial proposal shall be rejected summarily.

- iii. All information provided should be legible, and wherever the information is given in figures, the same should also be mentioned in words. In case of conflict between amounts stated in figures and words, the lower amount will be taken as correct, whether the same has been provided in figures or in words.

- iv. The financial proposal shall be in the form of lump-sum amount (in the form of Annual Comprehensive Facility Management Cost quoted in INR for First Year) and shall be exclusive of any taxes/GST that may be applicable. Detail break-up of the lump-sum amount must also be worked out and to be submitted along with the financial proposal.

1.4. Preparation and Submission of Bids

1.4.1 Preparation of Bids

a) Bidders should take into account all clarifications/corrigendum/ addendums to the RFP document published before preparation and submission of their proposals.

b) Bidders should go through the RFP Document carefully to understand the requirements to be submitted as part of the bid. Please note the number of covers/packets in which the bids have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

1.4.2 Submission of Bids

The bids shall be submitted through SPEED POST / REGISTERED POST / COURIER /in Drop box at division office under two cover system i.e., viz., Technical Proposal (Cover-I) and Financial Proposal (Cover-II). All the pages of bid being submitted must be signed and sequentially numbered by the bidder irrespective of nature of content of the documents before uploading. The proposals submitted through Telegram/Fax/email / any other mode shall not be considered and will be out rightly rejected. No correspondence will be entertained in this matter.

1) Cover – I Technical Proposal :

- Bid Processing Fee and EMD as applicable.
- The documents as specified in clause 1.3.6 of this RFP are to be self-attested and furnished by the Bidder (i.e. checklist and Form T1 to T10).
- Signed copy of the RFP.
- All required documents.

2) Cover – II Financial Bid (Check list):

- The formats as specified in clause 1.3.7 of this RFP are to be self-attested and to be furnished by the Bidder.

1.5 Modifications/ Withdrawal of Proposals

No proposal can be modified by the bidder subsequent to the closing date and time of proposal submission due date. In the event of withdrawal of the proposal by bidder, the EMD will be forfeited by “CLIENT”.

1.6 Opening of Proposal

Client reserves the right to reject any Proposal not submitted on time and which does not contain the information / documents as set out in this RFP.

Stage 1: Opening of Cover 1 (Technical Proposal)

The documents in Cover I submitted by respective bidders will be opened on the date and time

stipulated in the “Bidder Data Sheet”, processed & scrutinized to determine Non- Responsive Proposals. Prior to evaluation of Proposals, Client will determine whether each Proposal is responsive to the requirements of the RFP. A Proposal shall be considered responsive only if the Proposal:

- is received by the proposal due date pursuant to point 12 of the Bidder Data Sheet
- is submitted pursuant to Clause 1.3
- is accompanied by the Power of Attorney as specified in Form T3, as applicable.
- accompanied by Bid Processing Fee and EMD as applicable
- contains all the information as requested in the RFP;
- all pages of the Proposal are signed by Authorized representative of Bidder.
- contains information in the forms specified in this RFP; and fulfills the conditions of eligibility,
- Proposal validity is as prescribed in the RFP,
- Technical proposal does not contain any financial information
- Client reserves the right to reject any Proposal which is non-responsive and no request for alteration, modification or withdrawal shall be entertained by Client in respect of such Proposals.

Client would subsequently examine and evaluate Proposals in accordance with the selection process specified at Clause 1.7.1 and the criteria & bid evaluation parameters as set out in Clause 1.2.4 and 1.2.5 of this RFP.

Stage 2 : Opening of Cover 2 (Financial Proposal)

After the technical evaluation, Client would prepare a list of technically qualified Bidder/s in terms of Clause 1.7.2 for opening of their Financial Proposals within the stipulated date. Client will not entertain any query or clarification from Bidder/s who fail to qualify at any stage of Selection Process.

The financial evaluation would be carried out in terms of Clause 1.7.2.

1.7 Evaluation of Proposal

1.7.1 Technical Evaluation

The Technical Proposal of bidders will be opened in presence of the authorized representative of the bidders and evaluated for compliance with the qualification criteria as defined in clause 1.2.5 of the RFP. The technically qualified bidders as per clause 1.2.5 would only be considered for submission of Financial Proposal evaluation.

1.7.2 Financial Evaluation and Selection of Bidder

Financial Proposal of technically qualified bidders (as indicated in clause 1.7.1) will only be opened and evaluated. Bidders quoting lowest Financial Quote i.e. L1 for Year 1 (as per Form T2), among technically qualified bidders shall be identified as “Selected Bidder”.

1.8 Award of Work

After selection, a Letter of Award (“LOA”) shall be issued, in duplicate, by the Client to the Selected Bidder and the Selected Bidder shall, within 7 (seven) days of the receipt of the LOA, sign and return the duplicate copy of the LOA in acknowledgement thereof, which may also be extended through email in addition to offline mode of acceptance of communication to avoid delay. In the event the duplicate copy of the LOA duly signed by the Selected Bidder is not

received by the stipulated date, the Client may, unless it consents to extension of time for submission thereof, the appropriate EMD of such Bidder as mutually agreed genuine pre-estimated loss and damage suffered by the Client on account of failure of the Selected Bidder to acknowledge the LOA, and the next eligible Bidder may be considered.

1.9 Execution of Service Agreement

After acknowledgement of the LOA as aforesaid by the Selected Bidder, it shall execute the Service Agreement (SA) within the period prescribed in “Bidder Data Sheet”. The Selected Bidder shall not be entitled to seek any deviation in the Service Agreement. The Selected Bidder shall submit Performance Bank Guarantee before signing of Service Agreement.

1.10 Implementation Process and Contract Period

The date on which the Service Agreement will be signed between “CLIENT” and Selected Bidder will be identified as the ‘Commencement Date’;

1.10.1 Mobilisation Period

The Agency will be granted a 15 calendar days from the date of signing the Service Agreement to mobilize the resources as per the requirements stated in this RFP. The date on which the mobilization period gets completed will be identified as the ‘Effective Date’;

The Client may request to mobilize part team on priority (if need be) during mobilization period, FMS shall extend required assistance to the Client if such request is raised.

1.10.2 Contract Period

The Contract Period shall start from the ‘Effective Date’ as defined above, and shall be valid for a period of 01 years (i.e 12 Months) (annually renewable). The FMS shall provide a consolidated list of equipment’s procured by the FMS and update the Client on annual basis for records.

1.10.3 Payment Terms and Enhancement

- i. The payment for the entire Annual Comprehensive Facility Management Cost will be done on equal monthly installments basis during contract period.
- ii. In case of increase in Minimum Wages / D.A of Labour by Govt. of Odisha, the basic differential cost of Minimum Wages / Dearness Allowance for all categories labour will be paid extra to Agency by the Authority.
- iii. However, if after taking into account the changes/ increase in minimum wages/ statutory wages payables to workers, such increase may be considered (even if, with that increased contract value will escalate more than the overall limit of 3% per annum on the initial value of contract).

1st Year	No enhancement
2nd Year	3% enhancement on Annual Comprehensive Facility Management Cost paid in 1st Year

3rd Year	3% enhancement on Annual Comprehensive Facility Management Cost paid in 2nd Year
----------	----------------------------------------------------------------------------------

1.11 Performance Security

1.11.1 Within 10 days of receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Client a Performance Security [to cover the amount of liquidated damages and/or the compensation of the breach of contract] in any of the forms given below for an amount equivalent to 5% of the Annual Contract Value as per the stipulation. Performance Security shall be submitted in the form of Bank Guarantee from any scheduled commercial bank in favour “Superintending Engineer, (R&B) Division-II, Bhubaneswar”. Failure of the successful Bidder to comply with the requirements of Sub- clause 1.11.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the EMD.

1.11.2 The performance security submitted shall be valid for a period of 1Year and 3 months from the date of effectiveness of the contract. The authenticity of the PBG will be get properly verified by the Client from the local branch of the issuing bank prior to execution of the contract.

1.11.3 It is expressly understood and agreed that the performance security is intended to secure the performance of entire Service Agreement. It is also expressly understood and agreed that the performance security is not to be construed to cover all the damages detailed / stipulated in various clauses in the Contract document.

1.11.4 Should the contract period, for whatever reason be extended, the Bidder, shall at his own cost, get the validity period of Bank Guarantee in respect of performance security furnished by him extended and shall furnish the extended / revised Bank Guarantee to the Client before the expiry date of the Bank Guarantee originally furnished.

1.11.5 Appropriation of Performance Security

Performance Security submitted by the FMS shall be forfeited if the FMS fails to commence operations as per the requirements of this RFP.

In the event the FMS fails to perform any or all its obligations under the Service Agreement and damages are imposed for such failure, the Client shall have right to appropriate such amount as damages from the Performance Security submitted by the FMS.

Upon occurrence of a FMS Default or failure to meet any condition as per the Service Agreement, the Client shall, without prejudice to its other rights and remedies hereunder or in law, be entitled to encash and appropriate the relevant amounts from the Performance Security as Damages for such FMS Default or failure to meet any Condition Precedent. Upon such appropriation from the Performance Security, the FMS shall, within 30 (thirty) days thereof, replenish, in case of partial appropriation, to its original value, and in case of appropriation of the entire Performance Security provide a fresh Performance Security, as the case may be, failing which the Client shall be entitled to terminate this Agreement.

Upon replenishment or furnishing of a fresh Performance Security as aforesaid, the FMS shall be entitled to an additional Cure Period of 30 (thirty) days for remedying the FMS Default or to meet any Condition Precedent, and in the event of the FMS not curing its default or meeting such Condition Precedent within such Cure Period, the Client shall be entitled to encash and appropriate such Performance Security as Damages, and to terminate this Agreement.

1.11.6 Release of Performance Security

Performance Security submitted, will be returned to the Agency subject to the Client's right to receive or recover amounts, if any, due without any interest within 90 days after completion of Contract.

1.12 Bid Security/EMD

1.12.1 Proposal should necessarily be accompanied by a Bid cost and Bid security.

1.13 Power of Attorney

1.13.1 The Bidder should submit a Power of Attorney in the format specified at Form T3 of Section 5 authorizing the signatory of the Proposal to commit the Bidder.

1.14 Proposal Validity

1.14.1 The Bidder Data Sheet Sl. No 21 indicates that the proposal will remain valid for a period of 120 days after the submission date. During this period, bidders shall ensure the availability of professional staff nominated in the Proposal and also the financial proposal shall remain unchanged. Client will make its best effort to complete the selection process within this period. If required, the Client may request the bidders to extend the validity period of their proposals. Bidders who do not agree, have the right to refuse to extend the validity of their Proposals; under such circumstance Client shall not consider such proposal for further evaluation.

1.14.2 Bidders are requested to refer "Bidder Data Sheet" for applicable duration of validity.

1.15 Conflict of Interest

1.15.1 Bidders, and any of their affiliates, shall be considered to have a conflict of interest and shall not be eligible for selection as Facility Management Company (FMS) under any of the circumstances set forth below :

a. **Conflicting Assignment/job:** A bidder or any of its affiliates shall not be hired for any Assignment/job that, by its nature, may be in conflict with this Assignment/job of the bidder to be executed for the same Employer.

b. **Conflicting Relationships:** A bidder that has a business or family relationship with a member of the Client/Ministry's staff who is directly or indirectly involved in any part of

i. the preparation of the Terms of Reference of the Assignment/job,

ii. the selection process for such Assignment/job, or

iii. supervision of the Contract, may not be awarded a Contract, until and unless the conflict stemming from this relationship has been resolved in a manner acceptable to the Client.

1.15.2 Bidders have an obligation to disclose any situation of actual or potential conflict that

impacts their capacity to serve the best interest of Client, or that may reasonably be perceived as having this effect. Failure to disclose said situations may lead to the disqualification of the bidder or the termination of its Contract.

1.16 Corrupt or Fraudulent Practices

1.16.1 Client desires to observe a high standard of ethics during the procurement and execution of Draft Service Agreement. In pursuance of this Clause, the Client:

a) will not accept a proposal for award if it determines that the Bidder has, directly or indirectly or through an agent, engaged in corrupt fraudulent practices on competing for the RFP in question, and will declare a bidder ineligible.

b) if it, at any time determines that the bidder has engaged in corrupt or fraudulent practices, for this RFP or in the past for the purpose of this provision, the Client defined the terms set forth as follows:

"Corrupt Practices" means the offering, giving, receiving and soliciting of anything of value to influence the action of an official in the procurement process or in Service Agreement execution; and

"Fraudulent Practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a Service Agreement and includes collusive practices among Bidders (prior to or after Proposal submission designed to establish Proposal prices at artificial, non-competitive levels and to deprive the Client of the benefits of free and open competition

1.17 Prohibition against collusion amongst bidder(s)

1.17.1 Each Bidder shall warrant by its Proposal that the contents of its Proposal have been arrived at independently. Any Proposal which have been arrived at, through connivance or collusion or pooling amongst two or more interested parties for the purpose of restricting competition shall be deemed to be invalid and the concerned Bidder(s) shall lose its/their Earnest Money, at Client's sole discretion. The format for Anti- Collusion Certificate has been provided in Form T-10 under Section 4 of the RFP document.

1.18 Confidentiality

1.18.1 Information relating to evaluation of Proposals and recommendations concerning awards shall not be disclosed to the bidders who submitted the proposals or to other persons not officially concerned with the process, until the publication of the award of Contract. The effort by bidder to seek confidential information related to the process may result in the rejection of its Proposal.

1.19 Interpretation of Documents:

i. Client will have the sole discretion in relation to:

a) the interpretation of this RFP document, the Proposals and any documents provided in support of the Proposals; and

b) all decisions relating to the evaluation of Proposals.

Client will have no obligation to explain or justify its interpretation of this RFP document, the Proposal(s) or their supporting/related documents/information or to justify the evaluation process or selection of the Selected Bidder.

ii. In the event of conflicts of any sort among the Information and Instructions to Bidder and the Service Agreement, the documents shall be given the following priority:

a) Service Agreement,

b) Information and Instructions to Bidder.

iii. Client reserves the right to use and interpret the Proposal documents, data etc. it receives from the Bidder(s) in its absolute discretion.

Section – 2 : Key clauses of Service Agreement

2.1 Sub-contracting

2.1.1 The selected service provider is not allowed to sub-contact any portion of work to any entity under this contract.

2.2 Other contractors

2.2.1 The facility management service provider (FMS) shall cooperate and share the service areas with other contractors, Occupants, Operators, Public authorities associated with the Client as and when required.

2.2.2 The facility Management service provider shall as referred to in the contract, also provide facilities and services for them as described in the schedule. The Client's representative may modify the schedule of other contractors and shall notify the FMS of any such modification.

2.3 Materials, Machinery & Equipment

2.3.1 The FMS shall arrange and supply at his own cost all material, machinery, equipment, plant, tools, appliances, implements, ladder, cordage, tackle, scaffoldings, water and power supply and temporary works requisite or proper for effective execution of the work, whether original, altered or substituted and whether included in the specification or other documents forming part of the Contract or referred to these conditions or not all which may be necessary for the purpose of satisfying or complying with the requirements of the Client as to any matter which under these conditions he is entitled to be satisfied or which he is entitled to require together with the carriage therefore to and from the work.

2.3.2 The FMS shall bear all the costs including transportation, loading, unloading, stacking storage, safe custody against the damage due to sun, rain, dampness, fire, theft etc.

2.3.3 All the material brought to the site shall be duly accounted for by the contractor and got insured against loss due to any reason what so ever. Proof regarding this supported by the copies of the requisite document shall be regularly submitted to the Representative appointed by the Client. The Client may summon the complete record of the procurement of materials from the service provider at any time if needed. At site, the material shall be accounted in a manner prescribed by Client in writing.

2.3.4 The material procured by the service provider shall be strictly according to the

specification of that material conforming to ISI standard or any other approving Client as applicable.

2.3.5 Storage of the material should be as per approved norm. No damaged or inferior material will be kept at site of work for more than seven days from the date of orders of Engineer in Charge to remove the material.

2.4 Labour

2.4.1 The FMS shall, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport.

2.4.2 The FMS shall, if required by the Client, deliver to the Client a return in detail, in such form and at such intervals as the authorised officer of Client may prescribe, showing the staff and the number of the several classes of labour from time to time employed by the Contractor on the site and such other information as the Engineer may require.

2.5 Compliance with Labour Regulations

2.5.1 During continuance of the contract, the FMS shall abide at all times by the all existing labour enactments and rules made there under, regulations, notifications and bye laws of the State or Central Government or local Client and any other labour law (including rules), regulations, bye laws that may be passed or notification that may be issued under any labour law in future either by the State or the Central Government or the local Client.

2.5.2 The FMS shall keep the Client indemnified in case any action is taken by the Client on account of contravention of any of the provisions of any act or rules made there under, regulations, or notifications including amendments. If the Client is caused to pay or reimburse, such amounts as may be necessary to cause or observe or for non- observance of the provisions stipulated in the notifications/bye laws/Acts/Rules/regulations including amendments If any on the part of the contractor, the Client shall have the right to deduct any money due to FMS, including his amount of performance security. The Client shall also have right to recover from the Service Provider any sum required or estimated to be required for making good the loss or damage suffered by the Client.

2.5.3 The employees of the FMS in no case shall be treated as the employees of the Client at any point of time.

2.6 Insurance

2.6.1 The FMS shall provide, in the joint names of the Employer and the FMS, insurance cover from the Start Date to the end of the Maintenance Period, in the amounts and deductibles stated in the Contract Data for the following events which are due to the Contractor's risk:

- a. loss of or damage to the Works, Plant and Materials;
- b. loss of or damage to Equipment:
- c. loss of or damage of property (except the Works, Plant, Materials and Equipment) in connection with the Contract: and
- d. Personal injury or death.

2.6.2 Policies and certificates for insurance shall be delivered by the FMS to the Client for the Client's approval before the Start Date. All such insurance shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.

2.6.3 If the FMS does not provide any of the policies and certificates required, the Employer may affect the insurance which the Contractor should have provided and recover the premiums the Employer has paid from payments otherwise due to the contractor or, if no payment is due, the payment of the premiums shall be a debt due.

2.6.4 Alterations to the terms of insurance shall not be made without the approval of the Client.

2.6.5 Both parties shall comply with any conditions of the insurance policies.

2.7 Safety

2.7.1 The FMS shall be responsible for maintaining the safety of all activities on the site.

2.7.2 In respect of all labour directly or indirectly employed in the work for the performance of the FMS's part of this contract, the FMS shall at his own expense arrange for the safety provisions as per Safety Code framed from time to time and shall at his own expense provide for all facilities in connection therewith.

2.7.3 FMS is responsible for co-ordination and management of delivery of services from AMC vendors/suppliers/contractors, therefore for ensuring safety compliance by them, FMS is required to monitor the delivery of service and report client in case of non-compliance of safety requirements immediately.

2.8 Liquidated Damages

2.8.1 The FMS shall pay liquidated damages to the Client at the defined rates. The total amount of liquidated damages shall not exceed the amount defined in the Contract. The Client may deduct liquidated damages from payments due to the FMS. Payment of liquidated damages does not affect the FMS's.

2.8.2 In case of continued default or repetitive non-performance at regular intervals, Client may go on enhancing the levy of liquidated damages, each time limited to 1% of of contract price per month of further default subject to maximum limit of 10%.

2.9 Cost of Repairs

2.9.1 Loss of damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the duration of Contract shall be remedied by the FMS at FMS's cost if the loss or damage arises from the FMS's acts or omissions or damage to main FMS's work.

2.10 Manuals & Registers

2.10.1 The FMS shall provide updated asset register recording the actual condition of the assets at the time of takeover and at the end of the contract period.

2.10.2 If the FMS does not submit the asset register at the end of the contract period or they

do not receive the Client's approval, the Client reserves the right to withhold the final bill payable to the FMS.

2.11 Force majeure

Force Majeure Event: Force Majeure Event shall mean any event or circumstance or a combination occurring in India set out hereunder, which affect or prevent the Party claiming Force Majeure ("Affected Party") from performing its obligations:

(A) Non-Political Events

(a) Acts of God or natural disasters beyond the reasonable control of the Affected Party which could not reasonably have been expected to occur, including but not limited to storm, cyclone, typhoon, hurricane, flood, landslide, drought, lightning, earthquakes, volcanic eruption, fire or exceptionally adverse weather conditions affecting the implementation of the Project.

(b) Radio active contamination, ionizing radiation

(c) Epidemic, famine.

(d) An act of war (whether declared or undeclared), invasion, armed conflict or act of foreign enemy, blockade, embargo, military action, nuclear blast.

(e) Strikes or boycotts or industrial action or any public agitation of any kind;

(f) Any event or circumstances of a nature analogous to any of the foregoing.

(B) Political Event

(a) Change in Law, other than any Tax laws, rules and regulations, to which the provisions of Change in Law as per the Service Agreement cannot be applied;

(b) Expropriation or compulsory acquisition by any Competent Client of the Project or part thereof or any material assets or rights of the FMS; provided the same has not resulted from an act or default of the FMS or such person;

The FMS shall not be liable for any penalty for delay or for failure to perform the contract for reasons of force majeure such as acts of god, acts of the public enemy, acts of Govt., Fires, floods, epidemics, Quarantine restrictions, strikes, Freight Embargo and provided that the supplier shall within Ten (10) days from the beginning of delay on such account notify the purchaser in writing of the cause of delay. The Client shall verify the facts and grant such extension, if facts justify.

2.12 Termination

2.12.1 The authorized officer on behalf of the Client may terminate the Contract if the other party causes a fundamental breach of the Contract. For this purpose, 60 days' notice in writing shall be served by either party on the other party clearly mentioning the particular grounds of Breach of Contract with a copy to the Employer.

2.12.2 Fundamental breaches of Contract include, but shall not be limited to the following:

a) Breach of contract by FMS

- i. the FMS stops work for 30 days when no stoppage of work is shown on the current programme and the stoppage has not been certified by the authorized officer of the Client as per the provision of the requirement and scope of the study;
- ii. the FMS is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation.
- iii. the authorized representative of the Client gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the FMS fails to correct it within a reasonable period of time determined by the authorized representative of the Client;
- iv. the FMS does not maintain a Performance Security which is required;
- v. the FMS has delayed the completion of works by the number of days for which the maximum amount of liquidated damages can be paid as defined in the Contract data;
- vi. If the FMS, in the judgment of the Client has engaged in corrupt or fraudulent practices in competing for or in executing the Contract.
- vii. In case the FMS is a partnership firm or any other such legal entity having more than one constituent, the FMS shall not change its legal constitution in any manner during the subsistence of contract. The shareholding, percentage/extent of partnership or other interest of the original constituents of the FMS shall not be diluted or varied during the subsistence of Contract.
- viii. The FMS shall not engage the services of any Sub-FMS for the purposes of discharging entire obligation under the Contract without approval of the Client.
- ix. If the FMS, having been given a notice in writing by the Client, fails to rectify, reconstruct or replace any defective work or continues the execution of work in an inefficient, improper, unworkman like manner or not in accordance with sound Engineering practices or without complying with the directions and requirements within a period of 15 days of the issue of said notice.
- x. If the FMS commits any acts of defaults with respect to conditions of contract.

b) Breach of contract by Client

- i. the authorized representative of the Client instructs the FMS to delay the progress of works or to temporarily stop the work and the instruction is not withdrawn within a continuous period of 30 days.
- ii. the Client is made bankrupt or goes into liquidation other than for a reconstruction or amalgamation.
- iii. A payment certified by the authorized representative of the Client is not paid by the Client to the FMS within 60 days of the date of certification by the Authorized representative of the Client.

2.12.3 If the Contract is terminated the FMS shall stop work immediately, make the Site secure and hand over all the assets of the Client under its control and leave the Site as per the provision of the contract.

2.12.4 After the termination of the contract under this clause, the Client shall be at liberty to get the balance work executed through some other contractual agency or through departmental means or to abandon the balance work altogether or to modify the design and scope of the work in any manner. The FMS shall have no claim against the Client in this regard.

2.12.5 The FMS shall not be liable for any penalty for delay or for failure to perform the contract for reasons of force majeure such as acts of god, acts of the public enemy, acts of Govt., Fires, floods, epidemics, Quarantine restrictions, strikes, Freight Embargo and provided that the supplier shall within Ten (10) days from the beginning of delay on such account notify the purchaser in writing of the cause of delay. The Client shall verify the facts and grant such extension, if circumstance justify.

2.13 Payment upon Termination

2.13.1 If the Contract is terminated because of a fundamental breach of Contract by the FMS, the authorized representative of the Client shall issue a certificate for the value of the work done less advance payments received up to the date of the issue of the certificate, less other recoveries due in terms of the contract, less taxes due to be deducted at source as per applicable law and less the percentage to apply to the work not completed as indicated in the Contract Data. Additional Liquidated Damages shall not apply. If the total amount due to the Client exceeds any payment due to the FMS the difference shall be a debt payable to the Client.

2.13.2 If the Contract is terminated because of a fundamental breach of Contract by the Client, the Client shall issue a certificate for the value of the work done. This work value shall take into account the cost of balance material brought by the FMS and available at site, the reasonable cost of removal of Equipment, repatriation of the FMS's personnel employed solely on the Works, and the FMS's costs of protecting and securing the works and less advance payment received upto to the date of the certificate, less other recoveries due in terms of the contract and less the taxes due to be deducted at source as per applicable law.

2.13.3 No Compensation for Alteration in or Restriction in Works

2.13.4 If at any time , after the commencement of the work the Government, for any reason whatsoever, does not require the whole Project/Work or part thereof to be carried out, the authorized representative of the Client shall give notice in writing of the fact to the FMS , who shall have no claim to any payment or compensation whatsoever on account of any profit or advantage, which he might have derived from the execution of the work in full, but which he did not derive in consequence of the full amount of work not having been carried out, neither shall he have any claim for compensation by reasons of any alteration having been made in the original specifications, drawings , designs and instructions , which shall involve any curtailment of the work originally contemplated.

2.14 Obligations of Facility Management Contractor

2.14.1 General

A. Standard of Performance

The FMS shall perform the services and carry out their obligations hereunder with all due diligence, efficiency and economy, in accordance with generally accepted professional standards and practices, and shall observe sound management practices, and employ appropriate technology and safe and effective equipment, machinery, materials and methods. The FMS shall at all the times support and safeguard the Client's legitimate interest in any dealings with the other parties.

B. Law governing Services

The FMS shall perform the Services in accordance with the Applicable Law and shall take all practicable steps to ensure that the personnel of FMS, comply with the Applicable Law. The Client shall notify FMS in writing of the relevant local customs, and the FMS after such notification, respect such customs.

C. Conflict of Interest

The FMS shall hold the Client's interests paramount, without any consideration for future works, and strictly avoid conflict with other assignments or their own corporate interests.

a. FMS not to benefit from commissions discounts, etc.

i. The payment of the FMS pursuant to clause 1.10.3, hereof shall constitute the FMS's only payment in connection with this Contract and, the FMS shall not accept for its own benefit any trade commission, discount or similar payment in connection with activities pursuant to this Contract or in the discharge of its obligations hereunder, and the FMS shall use its best efforts to ensure that Personnel involved shall not receive any such additional payment.

ii. Furthermore, the FMS shall comply with the CLIENT's applicable procurement guidelines for procurement of goods, works or services.

b. FMS and affiliates not to be otherwise interested in Project

The FMS agrees that, during the term of this Contract and after its termination, the FMS and any entity affiliated with FMS, shall be disqualified from providing goods, works or services resulting from or directly related to the FMS for the implementation of the project.

c. Prohibition of conflicting activities

The FMS shall not engage, and shall cause their Personnel not to engage, either directly or indirectly, in any business or and their professional activities which would conflict with the activities assigned to them under this Contract.

D. Confidentiality

Except with the prior written consent of the Client, the FMS and the Personnel shall not at any time communicate to any person or entity any confidential information acquired in the course of the Services, nor shall the FMS and the Personnel make public the recommendations formulated in the course of or as a result of the Services.

E. Liability of the FMS

Subject to additional provisions, if any, set forth in the Contract, the entire and collective liability of the selected FMS arising out of or relating to this agreement will be to the extent of the agreed final total fee as quoted by the FMS. FMS's actions requiring Client's prior approval

The FMS shall obtain Client's prior approval in writing before taking any of the following actions.

- a. Any change or addition to the Personnel listed as key professionals under the Scope of Work,
- b. Any change in equipment/material in respect of make, quality or other criteria, which the FMS furnished.

2.15 Obligation of the Client

2.15.1 Assistance and exemptions

Client shall assist the FMS and his staff for getting necessary statutory permissions, approvals (if any) as may be required under the law for their stay at project site and for providing Services as per Scope of Work. Such assistance shall not be considered as Client's obligation.

2.15.2 Access to Land

Client warrants that FMS shall have, free of charge unimpeded access to all land at Project Facility in respect of which access is required for the performance of the Services. The Client will be responsible for any damage to such land or property thereon resulting from such access and will indemnify FMS and each Personnel in respect of liability for any such damage, unless such damage is caused by default or negligence of FMS or Personnel or any affiliate of them.

2.15.3 Change in Applicable Law related to taxes and duties

If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost incurred by FMS in performing the Services, then the remuneration and reimbursable expenses as otherwise payable to the FMS under this Contract shall be increased or decreased accordingly by agreement between the parties hereto.

2.15.4 Services, facilities and property of CLIENT

Client shall make available to the FMS and the Personnel, for the purpose of the Services and free of any charge, the services, facilities and property described in the Scope of Work, Form – T8.

2.15.5 Payment

The certificate on the satisfactory performance of the service by FMS shall be issued by an Officer authorized by the Client and in consideration of the services performed by the FMS under this Contract. The Client shall make to the FMS such payments and in such a manner as is provided in the Agreement. The payment will be made by the Client directly to the Bank Account of the FMS towards the service performed for the concerned period. The FMS is liable to pay the remunerations of its deployed manpower / beneficiaries in their respective bank

account and submit the duly certified transaction statement to the Client for necessary records

2.15.6 Office Space

Client will only provide the office space. However, furniture, hardware and software infrastructure and any other infrastructure required shall be arranged by FMS.

2.15.7 Miscellaneous Cost

Miscellaneous Cost like AMC of equipment's, Insurance (project related), Utility Bills, and Liaising Fee etc. will be paid by the Client. FMS shall assist and facilitate in selection of vendors/suppliers for the rendering the services.

2.15.8 Basic Utilities

Basic Utilities like Water and Power Supply will be provided by the Client to FMS, however the infrastructure required for use of water and power supply shall be the responsibility of FMS.

2.15.9 Statutory and regulatory compliances

Procurement or renewal of statutory and regulatory compliances related to Client's assets shall be done by the Client. Client may seek advice from FMS for such procurement or renewals.

2.16 Extension/Renewal of Contract

2.16.1 The extension or renewal of the contract in terms of increase in duration of contract or addition in scope of work, if required by the Client may be considered taking into account the performance of the FMS. However, Client is not bound to consider any such extensions.

2.16.2 The extension or renewal of the contract shall be as per the terms as approved by the Client.

To

**Superintending Engineer,
Bhubaneswar R&B Division II
Bhubaneswar-751003,**

Sub: Selection of Agency for Providing Comprehensive Facility Management Services for Mission Shakti Building, Bhubaneswar, Odisha

Dear Sir,

With reference to your Request for Proposal dated _____ I have examined all relevant documents and understood their contents; hereby submit our Technical and Financial Proposal for Comprehensive Facility Management Services.

1. All information provided in the Proposal and in the Appendices is true and correct and all documents accompanying such Proposal are true copies of their respective originals. This statement is made for the express purpose of appointment as the Contractor for the aforesaid Assignment.

2. I shall make available to the Client any additional information it may deem necessary or require for supplementing or authenticating of the Proposal.

3. I acknowledge the right of the Client to reject our proposal without assigning any reason or otherwise and hereby waive our right to challenge the same on any account whatsoever.

4. I certify that in the last five years, we or any of our Associates have neither failed to perform on any contract, as evidenced by imposition of a penalty by an arbitral or judicial Client or a judicial pronouncement or arbitration award against the Bidder nor been expelled from any project or contract by any public Client nor have had any contract terminated by any public Client for breach on our part.

5. I declare that:

a. I have examined and have no reservations to the RFP Documents, including any Addendum issued by the Client;

b. I do not have any conflict of interest in accordance with the prescriptions in the RFP Document;

c. I/have not directly or indirectly or through an agent engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as defined in RFP document, in respect of any tender or request for proposal issued by or any agreement entered into with the Client or any other public sector enterprise or any government, Central or State; and

d. I hereby certify that we have taken steps to ensure that in conformity with the provisions of the RFP, no person acting for us or on our behalf will engage in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice.

6. I agree and understand that the proposal is subject to the provisions of the RFP document. In no case, shall I/we have any claim or right of whatsoever nature if the Assignment is not awarded to me/us or our proposal is not opened or rejected.

7. I agree to keep this offer valid for 120 (One hundred and Twenty Days) days from the Proposal Due Date specified in the RFP Document.

8. In the event of my firm being selected as the Service Provider, I agree to enter into an Agreement in accordance with the form which shall be provided by Client. We agree not to seek any changes in the aforesaid form and agree to abide by the same.

9. I agree and undertake to abide by all the terms and conditions of the RFP Document. In witness thereof, I/we submit this Proposal under and in accordance with the terms and conditions of the RFP Document.

Yours sincerely,

Authorized Signature

FORM-T6: SCOPE OF WORK FOR THE FACILITY

A1 Broad description of Facility Management

A1 Broad Description of Facility Management

A1.1. This scope of work essentially indicates (CFMS)services pertaining to upkeep & smooth working of the entire premises including equipment's, building services, infrastructure, fixtures, accessories, utilities, services, and furniture in the Facility as per the satisfaction of client / end user.

A1.2. Operation & Maintenance for the equipment / artefacts etc. will be carried out as per benchmarked maintenance practices / OEM (Original Equipment Manufacturer) manuals / O&M Manuals provided by the Contractor/Project Management Service Provider (PMSP).

A1.3. The scope of work broadly includes the operation, maintenance and management of general building operations as described in this contract for the Project Facility. The FMS will be directly responsible for ensuring operational service levels and that the performance is met as per terms and conditions defined in this document. Facility Management Contractor (FMS) will be directly reporting to the officer authorised by the Client. The FMS shall deploy the adequate manpower and equipments as per the requirement

A1.4. This document describes the work to be carried out under the Facility Management Services for and draws attention to certain associated items that are to be completed. This document does not intend to limit or exclude any item in the scope of work that is to be covered for delivering the Facility Management Services timely and successfully.

A1.5. The Broad Scope of services required as below;

- a. Operation and Maintenance of all equipment's and E&M services,
- b. Housekeeping and Sanitation services of the entire premises,
- c. Horticulture and Plantation.
- d. Waste Management,
- e. Pest control,
- f. Reporting and Complaint Management, and
- g. Coordination with other service providers.
- h. Maintenance of DG sets, water pumps, lifts etc.
- i. HVAC& Fire Services
- j. Watch & Ward and Parking Management

Please refer **Annexure III** for details of various spaces.

A2 FacilityManagementServices

A2.1.The scope of work for facility management services is broadly divided into following categories:

- a. **Operation:**

- i. Day to day unhindered running of the entire facility as per the satisfaction of the client / end user.
- ii. Preservation of machinery, building and services in good operating condition.
- iii. Daily / periodic maintenance (inspection, oiling and re-tightening, replenishments) to retain the healthy condition of equipment and prevent failure through the prevention of deterioration, periodic inspection or equipment condition diagnosis etc. as deemed fit by FMS.
- iv. Procure and store adequate stock of fuel, consumables, material, machinery and equipment's etc. for unhindered daily operations of the facility at its own cost which fixed by Client in this contract for day to day running of the entire facility.
- v. Day to day repairs required in the entire complex under the maintenance of FMS

b. Maintenance

- i. Breakdown Maintenance is defined as

The maintenance performed on equipment that has broken down and is unusable. It is based on a breakdown maintenance trigger. If breakdown occurs due to defects including manufacturing defects or defect due to faulty erection or any defective work or material, it would be covered under defect liability period or equipment warranty period as may be applicable.

- ii. Preventive Maintenance is defined as

The planned maintenance which is performed while the equipment is still working so as to reduce unexpected breakdown. This maintenance is scheduled based on time (monthly, quarterly, annually) or usage triggers. Activities in Preventive Maintenance are usually performed based on guidelines from equipment suppliers / manufactures and as per the O& M manuals provided by the Contractor or as deemed fit by FMS.

c. Management

- i. Co-ordination with Contractors for rectification of defects falling under DLP.
- ii. Co-ordination with Vendors / Suppliers /Manufacturers for preventive maintenance.
- iii. Supervise, administer and certify works of Main Contractors/PMSP/ Vendors / Suppliers / Manufacturers / AMC agencies for rectification of breakdowns (covered under breakdown maintenance/AMC) and for operations.
- iv. Printed comprehensive logbook as per certified standards and procedures, containing tables for daily record of all critical schedules, temperatures, pressures, humidity, power consumption, starting, stopping times of various equipment's, daily record of unusual observations.
- v. Co-ordination (with PWD Officials) for conducting drills (earthquake, fire etc.) as per the statutory requirements or as per law of land.

However, the services as defined above is not limited to or exclude any item in the scope of work that is to be covered for preserving the project and delivering the services as per the satisfaction of the client / end user. The FMS shall maintain the service levels and also maintain minimum manpower as per scope in Form T-8.

A3 Scope ofWork

Unless it is explicitly restricted, the scope of work under the Contract for Facility Management Contractor for providing facility management services including operation and maintenance of facilities constructed by the Client as implementation agency is as below:

I. Maintenance Services.

The FMS shall be responsible for breakdown maintenance as defined above at A2b(i). The FMS for preventive maintenance shall coordinate, administer and certify works of Main Contractor, Interiors Contractor, Vendors, Suppliers and Manufacturers, AMC service providers for rendering the services as per the terms and conditions stipulated in this document.

i. The FMS shall be liable to perform / undertake following services:

- i. Preserving the project, its equipment's and assets as per the satisfaction of the client
- ii. Day to day repairs/service of the facilities
- iii. AMC /Warranty of all equipment's such as AC, lift, DG set, UPS, CCTV, Electrical Breakers etc. procured by the Client from time to time.
 - a. For all other equipment's of CFMS contractor in the project for which AMC shall be required, as deemed necessary by the FMS, the same shall be procured by the FMS at their own cost for preservation of all project equipment's.
- iv. Keep the Inventory of all spares and consumables required for the unhindered operation and maintenance of the facility and update on weekly basis.
- v. Prepare list of probable spare parts, Electrical and Mechanical items, plumbing, AC spares including Chillers, split units etc. and DG spares and will coordinate and supervise for availability of these spares for items under AMC.
- vi. Annual Building Survey and prepare program for Repairs and submit action plan.(To be prepared by the PWD in consultation with the agency and the supervisory officials of the buildings In-Charge.
- vii. In project facility area, replacement of required plumbing and sanitary works (including fixtures), light fixtures, chokes, capacitor, switch, regulator starters, ballasts etc. for common area and service, service rooms, sub-station and external lights including the landscaping.
- viii. Operation of all equipment in the project facility, including their minor repairs and replenishment such as electric lights, LED bulbs etc. as mentioned at vii.
- ix. Providing and replacing Connectors, contactors, lugs, Belts, Bearings, Grease, Cotton Waste and other similar minor items, PVC/GI couplings, bends, fuse and other similar minor items.
- x. Repair & rewinding of AHU (Air Handling Unit), Ventilation Fans, Pumps, Motors geyser, Oil heater etc., (After Defect Liability Period/Warranty Period).
- xi. Daily operation of all electrical power system- incoming and outgoing and DG sets and minor maintenance and replacing fuse, tube lights, bulbs, minor wiring etc.
- xii. Regular checking and minor paint touch-up of all wall, ceiling, windows, grill etc. Regular checking and minor touch-up of polish and paint to all wood works.
- xiii. Regular checking and minor repairs of all carpentry fixtures. Checking up of all doors, windows, tables, chairs, lock, door closer, door stopper etc. on routine basis
- xiv. Not Applicable.
- xv. Ensure availability of Specialized Tools / Tackles such required for operation and maintenance.

II. Operation Services

The operation services under the scope of work are subdivided into two categories namely

i. Operation of Equipment and Fixtures.

ii. Housekeeping

II (1) Operation of Equipment and Fixtures

- i. The FMS shall ensure day to day unhindered running of the entire facility as per the satisfaction of the client / end user.
- ii. FMS shall ensure that all complains are attended and rectified within the time specified as per the service level as required in this RFP.
- iii. The FMS shall ensure operation and upkeep of all equipment's (Electrical, Mechanical, HVAC, AV, IT etc.) in accordance with Operation and maintenance manuals provided by Contractor/PMSP / Supplier / Vendor / Manufacturers and ensuring safety of equipment and personal using it. (Some details of pumps, AC, Lifts, Plumbing, Sewerage System, Fire Fighting and other electrical works may be seen at [Annexure-III](#))
- iv. The FMS shall ensure that day to day basis works such as removing chokage of drainage pipes, manholes, restoration of water supply, repairs of seepage from walls and roofs including the domes, repairs to faulty switches, watering of plants, lawn mowing, hedge cutting, sweeping of leaf falls etc. are attended under day to day service facilities.
- v. The FMS will ensure that all filters, belts, fasteners, fixtures, lubricants, and other routine items are installed and are working properly.
- vi. The FMS shall operate all equipment's, fittings and fixtures (electrical / mechanical/plumbing etc.) on regular basis and ensure the smooth functioning of the area such as operation of pumps for filling water to tanks as per the requirement.
- vii. The FMS shall carry out daily, weekly, quarterly, half-yearly and yearly checks as per the O&M Manual for smooth operation and functioning of the area.
- viii. The FMS shall be responsible for operating and maintaining the Building Management System (BMS) in a fully functional, fully enabled manner. The FMS shall ensure the BMS is operating the building components in the most efficient, cost effective manner. Servers and PCs running the BMS software shall be kept up-to-date with regard to security patches and anti-virus software.
- ix. The FMS shall operate and maintain the complete Access Control system, Fire Alarm System, CCTV System, PA system and any other system as installed in the said premises (to be included in Watch & Ward Services).
- x. The FMS shall monitor and maintain the ambient room parameters (temperature, humidity, noise level, required light levels etc.) for different components/areas/exhibits/artifacts as specified in the O&M manual carefully, at all times throughout the Contract period. Any damage done to the exhibits/artifacts / equipment's due to non-maintenance of required ambient room

parameters will be the responsibility of FMS and shall make good the damaged exhibit / artifacts / equipment's at his own cost.

II. (2). Housekeeping and Help Desk Services

II (2.1) Cleaning Services

The FMS shall

- i. Perform routine cleaning of the internal and external areas to meet the required service standard.
- ii. Cleanliness of all common spaces and space inside the location within Project Facility.
- iii. Perform cleaning and upkeep of exhibits and artifacts, IT & AV equipment's in the project facility as per the directions in Manuals / as per directions of representative of Client.
- iv. Perform periodic cleaning of glass facades, structure at entrance, external claddings etc. at all heights (internally and externally)
- v. Additional housekeeping services as and when required by Client.
- vi. Deploy equipment's for cleaning and shall be responsible for maintaining these at all time. All costs for purchase/repair/spares/ maintenance etc. for these equipment's will be borne by FMS.
- vii. Responsible for the safekeeping of these equipment's at the project facility and shall not take out these equipment's any time during the term of contract other than for repairs. In case such repairs take more than a week, FMS shall arrange to provide alternate equipment for the Project Facility.
- viii. Adopt a proactive approach to the delivery of this Service. As such, they are required to report immediately any defects, deterioration, or damage to the property at Project Facility as soon as they become aware of such defects in the course of their duties under this Contract.
- ix. Dusting / cleaning of all furniture, sills, counters, screens, blinds & curtains, light fittings, signage, doors, door frames, fittings and glass pans etc. to remove debris, stains, cobwebs and marks.
- x. Stairs including treads, risers, nosing, banisters, balustrades, handrails, ledges and protective wire guards where present must be free from dust, debris, stains and marks.
- xi. Polishing / vacuum cleaning / cleaning of floors, carpets, carpet tiles, mats and mat wells and ensure the same must be free from grit, dust and debris with no apparent stains. They must be clean and dry. All carpeted areas are to be cleaned by the manufactures recommended methods and recommended intervals.
- xii. Clean all water tanks and disinfects specially before start of rainy season and as instructed by Client.
- xiii. Regular cleaning of storm water drain, manholes, sewage lines etc. for removal of any blockages.
- xiv. Entrances, service areas, parking areas, paving, paths, roads, grounds

amphitheatres, courtyard sand, lawns at the entrance, outside premises must be maintained so that no graffiti, debris, litter cigarette ends, dirt or spillages are apparent after cleaning.

- xv. Server Room, Control Room etc. must be free from dust, static electricity and be left clinically clean. (to be done in presence of the officials concerned).
- xvi. Sticky substances like chewing gum shall be removed before any cleaning procedure is carried out using an appropriate cleaning technique and chewing gum remover.
- xvii. Care is to be exercised when staff/visitors are still on the premises. Wet floors should be sign- posted. Trailing cables and open sockets should be made safe.
- xviii. All cleaning methods used must be of a sufficient quality to meet these standards and to maintain any guarantees on the floor covering.
- xix. Stainless steel surfaces must be treated with an appropriate cleaning and polishing agent

II (2.2) Cleaning of Toilets

- i. All sanitary ware including sinks, wash hand basins, WC bowls, seats, covers, hinges, tops, undersides, rims, taps, overflows, outlets, chains, plugs, urinals, brushes, toilet roll holders, tiled surfaces, splash backs, and vanity units must be free from scum, grease, hair, scale, dust, soil, spillages and removable stains. In addition, the surfaces should be disinfected.
- ii. Floors should be cleaned to the same standard as other building floors. In addition there should be no evidence of scum, grease, hair, and scale and the floors must be disinfected.
- iii. Soap dispensers must be filled, operating correctly with clean nozzles, the external surfaces must be clean dry and free from smears.
- iv. All toilets should be kept fully stocked with supplies and should be made available at all times.
- v. Dispensers must be clean, dry and free from dust, marks and smears with clean towels fitted. Hot air dryers must be clean, dry and free from dust, marks and smears.

II (2.3) Waste Management

- i. Bins must be emptied, cleaned and dried inside and out, bin-liners replaced where necessary and placed in their original locations. Liners must be used at all times.
- ii. FMS shall Collect the garbage from the garbage collection point and segregate the waste in recyclable and non-recyclable type and shall ensure proper disposal of waste outside the premises as per the standards and directions provided by Competent Client.
- iii. FMS shall ensure that 100% of recyclable waste is being recycled.
- iv. FMS shall be responsible for arranging the transport and in consultation with Client, shall identify the area / frequency for garbage disposal. Proper waste

disposal system shall be adopted and collection points shall be defined.

- v. Waste management methodology shall comply with the guidelines as laid down in applicable Waste Management Rules of Central / State Government and Local Authorities.
- vi. Renovation Debris is to be stored at designated space at designated area
- vii. The FMS undertaking the renovation work would remove the debris when it amasses to a volume equivalent to a tempo load.

II. (2.4) Pest Control

The FMS shall be responsible for ensuring the disinfectants, insecticides and pesticides used for rendering the services shall be safe, having low toxic levels, duly approved by WHO and Central Insecticide Board.

i. Disinfestations Treatment

Pest Covered : Ants, cockroaches, silverfish, spiders, ticks, bugs, crickets, termites etc.
The FMS shall take the following control measures :

- a. Intensive / extensive spray with oil / water based chemicals.
- b. Frequency : Fortnightly as per client schedule and need base

ii. Rodent Control

Pest Covered : Domestic/Field Rodents.

The FMS shall take the following control measures

- a. Baiting with anti – coagulant rodenticide / asphyxiates type chemicals
- b. Trapping with lures
- c. Eliminating rats / mice with glue traps
- d. Frequency : Monthly as per client's schedule and need base.

iii. Fly Control

The FMS shall take the following control measures :

- a. Sanitation
- b. Chemical control
- c. Frequency: Monthly as per client schedule and need base
- d. Sanitation
- e. Chemical control
- f. Frequency: Monthly as per client schedule and need base

iv. Mosquito Control

The treatment will be carried out all over the premises and surrounding areas inside

and outside. The FMS shall take the following control measures:

- a. Residual Spot Spraying
- b. Fogging Operations
- c. Mist Blowing
- d. Frequency: Fortnightly as per client schedule and need base

II (2.5) Help Desk- **Deleted**

II (2.7) Garden & Lawn Maintenance

The FMS shall be responsible for ensuring proper maintenance and upkeep of all horticulture works. Adequate equipment shall be maintained by FMS including grass cutting machine and other tools required for maintenance of horticulture areas. FMS shall grow seasonal plants and seasonal flowers as deemed fit by the Client to maintain the horticulture/ landscape as per the satisfaction of client/ end user. FMS shall make required arrangements and proper use of required insecticides, Pesticides, Fertilizers, Manures etc.

The broad scope of work will be as follows:

The Agency has to perform the following activities :

- a) Daily watering
- b) Weed removing
- c) Trimming and pruning
- d) Soil mulching
- e) Lawn mowing
- f) Hedges and Shrubs cutting etc.
- g) Cleaning Garden areas
- h) Applying fertiliser or compost manure/vermi culture manure alternate month or as and when required.
- i) Applying pesticides and fungicide alternate month or as and when required.
- j) Maintenance of vermi compost pits
- k) Disposal of dry/fallen leaves.
- l) Seed collection and sowing.
- m) Raising of Nursery.
- n) Preparation and maintenance of Planting Materials.
- o) Operation of Tools, Machinery as required for the Garden.
- p) General maintenance of existing plants, Tools implements etc.

II(2.8). Stand by DG ,DG sets Associated panel boards & HSD Storage Facilities.

- DG sets as mentioned above to start and stop as per the requirement or Schedules that will be given to you by the maintenance in charge of Mission Shakti, Building
- Unhealthy systems, abnormalities in performance or malfunctioning if any will be reported/ rectified with in a reasonable time period and help support OEM engineer for rectification work if required.

- To coordinate with the external and internal customer to facilitate smooth functioning of the DG Sets.
- To carryout day to day maintenance work as per activity chart that shall be formatted by you and got approved by the OEM/Maintenance in charge of Mission Shakti, Building, which shall cover the following:
 - Battery check for electrolyte level.
 - Specific gravity check.
 - Oil level and temperature check.
 - Fuel Leak.
 - Cooling Hose check.
 - Oil pressure check.
 - Voltage and current check in each phase. Engine run hour and RPM.
 - KWH generated.
 - Checking the engines for its smooth running, observing for any unusual noise and colour of the smoke from the exhaust.
 - Checking general functioning of all gadgets observe noise and vibration levels.
 - Regular visual inspection of all mechanical drives.
 - Log all running parameters once every hour. If required for any interval as per direction of In-charge of Mission Shakti, Building.
 - Prepare log sheets for routine maintenance as per O&M manual so fall equipment and ensure that the instruction of O&M manual are strictly followed to ensure efficient and safe working of all equipment and to ensure that no equipment suffers from breakdown, loss of performance wear and tear or any other damage.
 - Prepare inventory of spares and ensure that critical spares are always available.
 - To ensure that all meters are in working condition and all equipment is working according to the design parameters given in O&M Manual.
 - To ensure that all equipment/ plants has sequential running and all equipment, pumps including the stand by equipment work on operating time equalization basis.
 - Checking lube oil, coolant and fuel for leakage.
 - Checking and adjusting belt tension, changing belt if required.
 - Cleaning of air filter elements and changing them if required.
 - Drain lubricating oil sump, clean sump strainers, renew lubricating oil and prime the system whenever if becomes due.
 - Carrying out valve tappet setting as and when required.
 - End plays checking of crankshaft, accessory drive and turbo charger when ever required.
 - Checking of proper functioning of various instruments, instrument panel and changing them as required.
 - Diagnosis of various faults and their rectification.
 - Checking and fault finding of the electrical system associated with the engine.
 - General cleaning and greasing of the alternator when required.
 - Cleaning battery terminals for sulphate formation and checking its state.
 - Maintenance of instruments, relays and connectors fitted in Gen set control Panel and changing them.

- Checking of wiring system for its loose and dry connections.
- Checking tightness of mounting bolts.
- Checking rotating diode assembly of alternators.
- Fault simulation and verification, functioning of relays, MCB/MCCB and contactors.
- Insulation testing of alternators once in six months.
- Replacement of lubricating oil, filters, coolant, Replacement of all hoses, belts, gaskets, safety controls, fuel pump, injectors, self starter and charging alternator, trouble shooting, replacement of spares(all spare parts of AMF panel mcb,mccb,contactors,pushbutton,display, battery charger electronics switch,fuse), engine and alternator minor adjustment , radiator cleaning, fuel tank cleaning, panel repairing, AVM fitting job as and when required.
- Items need to be used should be the corresponding brand of generator, and all electrical items like MCB, MCCB etc must be of legrand/Schneider/Crabtree/Eq. make

Maintenance Schedule

- **Electrical Control Panel**
- **Monthly:** check battery charging system and take corrective action, check electrical measuring instruments, indicative lamps for proper functioning, tighten power distribution wiring and connections, testing of relay and other protection and safety devices for proper working, checking for MCCB tripping mechanism, cleaning of bus bars and clammers and tightening of nuts and bolts, tighten of all electrical connections and terminations.

II(2.9).HVAC, Air conditioning & its accessories & AHU'S

- Thoroughly wipe with an appropriate detergent and cloth and keep also free from dust, also wipe area surrounding the Air vent.
- Follow-up for the AMC of Air-condition equipments with appropriate agency & coordination with AMC agency for trouble free operation.
- Air conditioning system under O& M to start and stop as per requirement or schedules that will be given to you by the Maintenance Incharge of Mission Shakti, Building Unhealthy systems, abnormalities in performance or malfunctioning if any will be reported/rectified within a reasonable time period and help support OEM engineer for rectification work if required.
- Regular visual inspection of all mechanical drives.
- Check all the air-conditioning equipment for any sign of external leaks, check and prevent leaks immediately in help of AMC supplier.
- Prepare log sheets for routine maintenance as per O&M manuals of all equipment and ensure that the instruction of O&M manual are strictly followed to ensure efficient and safe working of all equipment and to ensure that no equipment suffers from breakdown, loss of performance wear and tear or any other damage.
- Prepare inventory of spares and ensure that critical spares are always available.
- To ensure that all meters are in working condition and all equipment is working according to the design parameters given in O&M Manual.

V. Control of Fire Hazards: Fire Services:-

- i) To watch any short circuit due to loose or weak electrical wire and to take immediate steps to check the short circuit fire and intimation to the Engineer In Charge.
- (ii) In case of Fire hazard / Smoke noticed should be attended immediately using the fire extinguisher etc. and intimation to the Fire Department for further control duly intimation to the Engineer In Charge.
- Service cover basis crisis management including fire and life safety programs.
- Any incident of a fire is to be recorded and reported through the Incident report for available for reporting any incidents.
- All fire-fighting equipments are regularly checked for functioning efficiently and such checks will be properly recorded. Whenever and whenever necessary arrangements will be made to refill the equipments.
- A close liaison with the local brigade is maintained.
- Conducting muck drills on regular interval. Follow-up for the AMC of the fire fightingequipments with the appropriate agency & coordination with AMC agency for trouble free operation.
- 30 days and 24 hours of visit in a month should be done by the agency.
- Checking quality of powder of the Extinguishers (if permitted to use the extinguishers for test by Mission Shakti, Bhubaneswar.
- Maintaining a log record of all services.
- You shall provide training to the Security Supervisors as the occupant reprehensive of the building to ensure that they are well conversant and familiar with all operational aspects of the Fire-fighting system to operate the system during emergencies. Conducting Fire Drill once in a month.
- You will also manage operational preparedness for functioning of the system at all times via prescheduled checks. All replacement of spares will be recorded in a register be presented for the signature of Maintenance-in-charge.
- FIRE ALARM, PUBLIC ADDRESS & SPRINKLER ANNUNCIATION SYSTEM
- Round the clock monitoring the FAS and logging any abnormality. On any eventuality ie, in case of fire and to be required to vacate the premises, the operator should announce the same in PA system about the fire and request to evacuate as per fire war den instructions. Attending lift car calls & arranging to rescue the trapped passengers.

III. Management Services

The FMS shall be responsible for integrated facility management of the Facility Area and managing the following aspects for ensuring proper operation and maintenance of the facilities in the premises:

- i. Provide required assistance to the Client during transition period of handover – takeover of the Project Facility from the Main Contractor including but not limited to providing assistance in snagging, de-snagging, testing and commissioning of equipment's etc.
- ii. Take ownership of all the services as described in scope of work and will work as an independent Unit.
- iii. Co-ordination with all the stakeholders of the Client, Contractors, Consultants and other agencies.
- iv. Maintain a record of all the Equipments/ assets at facility, keep record of the Vendors details, keep track of the dates of AMC/Warranty validity and inform the Client when the

validity is within 2 months of completion and also co-ordinate with vendors for extension of services on behalf of Client.

v. Submission of Daily Position Reports, Failure Investigation Reports, Operation & Maintenance Reports,

vi. Maintenance of Reports, Log Books etc. for Operation & Maintenance of various Systems & Equipment's, Maintenance of Equipment History,

vii. Co-ordinate with Main Contractor/PMSP/ Interior Contractor for rectifying of defects under the DLP period.

viii. Assist the Client in payment of all utility bills,

ix. NA

x. NA

xi. Preparation, submission and obtaining approval on detailed O&M plan including maintenance and security, staffing requirement and schedule; equipment, tool and machineries to be maintained; maintenance schedule; manpower and incident reporting structure; etc.

xii. Prepare a preventive maintenance plan for all equipment/fittings & fixtures, ensuring 100% compliance. FMS shall co-ordinate for:

Repair technician for doors, blinds and floor springs etc.

xiii. Co-ordinate administer and certify works of Vendors/Manufacturers /Suppliers for the purpose of preventive maintenance and upkeep of the equipment during AMC/Warranty period.

xiv. Prepare and maintain the records of routine services, visits provided by AMC providers and tracking to be done against actual visits.

xv. Keep the Inventory status of all spares and consumables required for the maintenance of the facility and update on weekly basis and maintain the records of consumption.

xvi. Conduct quarterly systems & equipment health audits with and through the AMC Service provider and submit a health status report to the Officer authorized by Client.

xvii. Coordinate with third party for conducting equipment audit, fire audit as and when required by Client.

xviii. It is the responsibility of the FMS to ensure highest level of uptime and reliability of all equipment is maintained at site.

xix. Prepare and follow Standard Operating procedures for smooth functioning of the maintenance services, within 30 days of commencement of agreement.

xx. Brief the representative on maintenance and operational proceedings on day to day basis.

xxi. Liaison with local, state authorities, and/or private agencies related to the Facility.

xxii. Control and report any violation in sound emanating from the Facility is within the noise pollution norms prescribed by the Central Pollution Control Board and any notification issued by the Ministry of Environment and Forests, Government of India.

xxiii. Provide support and guidance to the Client in all matters as requested

xxiv. The FMS, within its staff shall provide persons who are trained in first-aid/ paramedics to coordinate with Wellness Centre/ First Aid Room in case of emergency.

The FMS shall report to a Nodal Officer appointed by Client for the management services as

and when required.

IV. Complaint management

FMS shall create complaint kiosk with designated senior official of FMS managing the same with adequate infrastructure for time bound complaint management. FMS shall develop an online software based application for facilitating complaint raising by end-users where an acknowledgement number shall be issued automatically to the complainant and enabling easy monitoring by the Client. Such facility shall be easily approachable and adequate signage should be provided to guide end-users to the complaint kiosk.

The following are defined SLA times for responding and closure of complaints by FMS and based on standards these present guidelines and may be changed by Client from time to time.

Description of Complaints	Service required	Report	Complaint Closure time
For Minor Defects	Replacement without any replacement by FMS	Immediately	2 hrs
For Major Defects			
Item available locally	Rectification / Replacement by external agencies (Main Contractor/Interior Contractor/Vendors/Manufacturer/Supplier)	Immediately	1 week
Item available domestically		24hrs	2 weeks

To the extent possible, FMS shall make ensure that Vendor/Manufacturer perform their obligations as per Contract. Even after FMS making all the efforts, Vendor/manufacturer fail to perform its obligations, the FMS shall notify the Client and ask for necessary action.

Table : Service Level Agreement (Operations)

A. Daily services:

(First round of shift should be completed before 8:00 AM every day)

Sl. No	Service Level Requirement	Min Requirement	Non Compliance Limit	Penalty Rate (INR)
1	Routine housekeeping (inc. cleaning services as per the scope of work) of all the premises in the project facility (excluding licensed spaces).	2 Times/Day	1 Day	500/ Day
2	During any special events / exhibition in the project facility the housekeeping (sweeping ,wet mopping ,dusting etc.) of all the premises in connected amenities where the event/exhibition is organized.	4 Times/Day	1 Day	500/ Day
3	Cleaning of public area Toilets as per defined scope of work	4 Times/Day	1 Day	500/ Day
4	Cleaning of dustbins / waste bins and disposing the same up to the main container or garbage collection point.	2 Times/Day	Compulsory	1000/Day

5	Collecting of garbage from the garbage collection point. Thereafter, segregation of waste & disposing off the same outside the premises as per applicable guidelines/rules of the local Client. Should be completed before 8:30 AM every day.	Once/Day	Compulsory	1000/Day
6				
7	Dusting/cleaning in the project facility (Rooms excluding licensed spaces) of all furniture, sills, counters, screens, blinds & curtains, light fittings, signage, doors, doorframes, fittings and glass spans, AV equipment, workstations along with computers and their accessories like printers, monitors, keyboards, fax machine and photo copiers etc, telephone instrument etc.	2 Times/Day Once/Day Done by our Staff	1 Day	500/ Day
8	Cleaning of windows from inside & outside in office, passages and corridors and all glass façade outside all around the building on ground floor.	Once/Day	Compulsory	1000/Day
9	Sweeping, wet mopping, dusting of stairs (including terrace & ground to basements), External Stairs, Exhibits & Artifacts, Drive way and compound area.	Once/Day	Compulsory	1000/Day
10	Cleaning and upkeep of all parking, service, basement and maintenance area	Once/Day	1 day	1000/Day

V. Reporting

The FMS shall establish a MIS system for reporting. The FMS shall submit the following reports within the stipulated time to the Authorized Officer of the Client :

- a. Initial Review Report;
- b. Monthly Reports;
- c. Deployment Report; and
- d. Attendance Reports
- e. Statutory compliance intimation report

The MIS report shall cover the following aspects :

- a. Consumption and stock of consumables
- b. Compliance of preventive maintenance plan
- c. Resource deployment report (manpower, equipment)
- d. Expense report (committed and invoiced amounts)
- e. Status of periodic activities as described under scope of work for Operation, Maintenance.
- f. Facility Inspection: The FMS shall conduct regular comprehensive facility inspection and perform any additional ones that will maintain/enhance the appearance, operation, and safety aspects of all the facility as approved by Client. The FMS shall indicate frequency of inspection covering all premises.
- g. Highlight Critical Issues/Problems with recommended solutions which should contain the technical recommendations / alternatives, cost, time schedules, etc.
- h. Customer Feedback Analysis
- i. Report on Audits/ drills etc.

- j. Complaint Management reporting.
- k. MIS on procurement, statutory payments & on any other invoices processed by Client.
- l. Any other reports as needed from time to time.
- p. FMS has the option to use /implement any software for managing the Facility.
- q. FMS shall submit the Performa and format and the same shall be approved by Authorized Officer.
- r. Statutory compliance intimation report : FMS shall maintain a log/ tracking sheet of all statutory or regulatory compliances such as environment clearances, all NOC's, etc including their renewal dates. FMS shall monitor and intimate the Client minimum 30 days in advance before expiry of any such statutory or regulatory compliances.
- s. Any other reports / compliance certificates as needed from time to time

VI. Parking Management-

Parking and Vehicle Management is in FMS scope. The activities and responsibilities of FMS are:

- a. Support for parking management
- b. Manage operations at Entry and Exit terminals, (Inserted in Security)
- c. Vehicle and traffic management in Project Facility,
- d. Manage way - finding / space monitoring & guiding for parking,
- e. Coordination with local Client where required,

VII. Water Management, Plumbing and Sewerage System, STP-

- Thoroughly clean all overhead and underground water storage tanks periodically.
- Water management, operational records, inflow and outflow control.
- Regular checking and repairs of all sanitary fixtures and supply lines.
- Checkup of all valves, taps, floats and other plumbing and sanitary fittings free from leakage.
- To operate & maintain the STP, if installed.
- Follow up for AMC of the STP or any other accessories.

VIII. Watch & Ward Services

Security of Project Facility is in FMS scope. The activities and responsibilities of FMS are:

- a. To provide watch & ward services for the protection of life and property against theft, pilferage, fire etc.,
- b. Manage operations at Entry and Exit terminals,
- c. Ensure safety and security of men and material,
- d. Guiding visitors to desired locations/concerned officials/ occupants,
- e. Regulating entry of unwanted visitors/salesmen and maintenance of visitor's register,
- f. Checking of gate passes if applicable and to regulate the entry and exit of vehicles/materials,
- g. Prevent entry of stray animals like cow, dogs etc.,
- h. Round the clock patrolling of the Project Facility,
- k. Frisking and checking of visitors during and after operational hours,
- l. Hand held metal detectors should be provided by the FMS to Security Guards for

- checking and frisking of visitors as well as their carry bags,
- m. Checking of vehicles at entry and use inverted mirror detectors for checking vehicles,
- n. Agency shall maintain records of inwards and outwards movement of men, materials and vehicles, etc. with proper check as per instructions given from time to time by Client,
- o. Effective involvement during the crisis management like fire accidents and bomb threats and during periodical drills. Liaison with appropriate agencies in case of emergencies/Disaster & be well equipped with their update contact numbers,
- p. Visitor's management in common, during events & exhibitions, and during other special occasions,
- q. Having effective control on movement of materials in / out,
- r. Physical guarding of entry / exit points,
- s. Screening / directing of visitors,
- t. Patrolling and guarding various common areas and surroundings to ensure adequate safety and security,
- u. Assisting the occupants during the emergency evacuation of the building,
- v. Rescue operation of passengers stranded in the lifts,
- w. Complete disaster management in case of emergencies/ disasters,
- x. Providing of adequate security as per the requirement,
- y. Ensuring and monitoring the operations of Boom Barriers & Access Control System, if installed.
- w. Lodging of complaints/FIRs in case of emergency/disaster on intimation,

FORM-T10:ANTI COLLUSION CERTIFICATE

(on letterhead of Bidder)

1. We certify that this Proposal is made in good faith and that we have not fixed or adjusted the amount of the Proposal by, or under, or in accordance with any agreement or arrangement with any other person. We also certify that we have not and we undertake that we will not, before the award of any contract for the work:

(i) (a) Communicate to any person other than the Client /or person duly authorized by it in that behalf the amount or approximate amount of the Proposal, or Proposed Proposal, except where the disclosure, in confidence, of the approximate amount of the Proposal was necessary to obtain premium quotations required for the preparation of the Proposal

(b) Enter into any agreement or arrangement with any person that they shall refrain from bidding, they shall withdraw any Proposal once offered or vary the amount of any Proposal to be submitted.

(ii) Pay, give or offer to pay or give any sum of money or other valuable Considerations directly or indirectly to any person for doing or having done or having caused to be done in relation to any other Proposal or proposed Proposal for the work, any act or thing of the sort described at (i) (a) or (i) (b) above.

2. We further certify that the principles described in paragraphs 1 (i) and (ii) above have been or will be, brought to the attention of all sub-contractors, suppliers and associated companies providing services or material connected with the Proposal and any contract entered into with such sub-contractors, suppliers, or associated companies will be made on the basis of compliance with the above principles by all parties.

3. We are not part of any "Anti-competitive practice" such as collusion, bid rigging or anti-competitive arrangement, or any other practice coming under the purview of The Competition Act, 2002 as amended from time to time, between two or more bidders, with or without the

knowledge of the Procuring Entity (Client), that may impair the transparency, fairness and the progress of the procurement process or to establish bid prices at artificial, non-competitive levels,

4. In this certificate, the word "person" includes any persons or any body or association, corporate or unincorporated; "any agreement or arrangement" includes any transaction, formal or informal and whether legally binding or not; and "the work" means the work in relation to which this Proposal is made.
