**4. Coverage:**

**5. Date of Implementation:**

**8. Revised Pay for teachers and equivalent cadres**

**(i) Pay fixation method**

The revised pay structure for different categories of teachers and equivalent cadres shall be based on the following: -

- a) The formula followed by the 7<sup>th</sup> CPC is followed in the academic pay structure moving from the concept of Pay Band and Academic Grade Pay to that of Academic Levels and Cells.

27/2/2025

- b) The first academic level (corresponding to AGP of Rs.6000) is numbered as academic level 10. Similarly, the other academic levels are 11, 12, 13(A) and 14.
- c) Each cell in an academic level is at 3% higher than the previous cell in that level rounded off to nearest 100.
- d) The Index of Rationalization (IoR) is 2.67 for present AGP less than Rs. 10,000 and 2.72 for the AGP of Rs. 10,000 .
- e) The entry pay for each level is as follows.

| Level | Academic Grade Pay (Rs.) | Entry Pay (Rs.) |
|-------|--------------------------|-----------------|
| 10    | 6,000                    | 21,600          |
| 11    | 7,000                    | 25,790          |
| 12    | 8,000                    | 29,900          |
| 13A   | 9,000                    | 49,200          |
| 14    | 10,000                   | 53,000          |

- f) The Pay Matrix based on the above propositions on Academic Levels, Cells and Entry Pay corresponding to the AGP of pre-revised pay is at [**Annexure-1**].
- g) For fixation of pay of an employee in the Pay Matrix as on 1<sup>st</sup> January, 2016, the existing pay (Pay in Pay Band plus Academic Grade Pay) in the pre-revised structure as on 31<sup>st</sup> December, 2015 shall be multiplied by a factor of 2.57. The figure so arrived at is to be located in the Academic Level corresponding to the employee's Pay Band and Academic Grade Pay in the new Pay Matrix. If a Cell identical with the figure so arrived at is available in the appropriate Academic Level, that Cell shall be the revised pay; otherwise the next higher cell in that Academic Level shall be the revised pay of the employee. If the figure arrived at in this manner is less than the first cell in that Academic Level, then the pay shall be fixed at the first cell of that Academic Level.
- h) Employees joining after 01.01.2016 will be placed in the 1<sup>st</sup> cell of the corresponding Academic level. Where the fixation is in the 1<sup>st</sup> cell, their annual increment shall fall due 12 months after the fixation under revised pay.

#### 9. Incentive increment for higher qualification

The incentive structure is built-in in the pay structure itself wherein those having M.Phil or Ph.D. degree will progress faster under CAS. Therefore, there shall be no incentives in form of advance increments for obtaining the degrees of M.Phil, or Ph.D.

#### 10. Increment

- (i) The annual increment is given by moving from the existing cell in the academic level to the immediate next higher cell in the same academic level.
- (ii) The date of next increment shall be 12 months after the sanction of the last increment. Where the

  
27/12/2025

pay is fixed at minimum in the revised pay, the date of next increment shall be the anniversary of the date of coming over to the revised pay.

#### 11. Promotion

When an employee gets a promotion, the new pay on promotion would be fixed in the Pay Matrix as follows:

A notional increment will be given in the existing Academic Level by moving to the next higher cell at that level. The pay shown in this cell would now be located in the new Academic level corresponding to the post to which he has been promoted. If a cell identical with that pay is available in the new level, that cell shall be the new pay. If the pay arrived at in this manner is less than the first cell in the new Academic level, then the pay shall be fixed at the first cell of that Academic level.

#### 12. Exercise of Option:

All teachers receiving pay under the UGC Scales shall be deemed to have come over to the revised scales of pay with effect from the 1<sup>st</sup> January 2016 except where they have opted for a date after the 1<sup>st</sup> January 2016 under the provisions of Revised Scales of Pay Rules. However, exercise of options shall be limited to the date of increment in the existing scale falling due within a period of one year, i.e. from the 1<sup>st</sup> January 2016 to the 31<sup>st</sup> December 2016.

No option shall however be exercised in case of direct recruits appointed on or after the date of implementation of the Revised Scale of Pay Rules. Option once exercised shall be final.

#### 13. Stepping up Benefit:

In case, a senior teacher is drawing more pay than his junior immediately before 1<sup>st</sup> day of January, 2016, in the same Grade the senior's pay gets fixed at a stage lower than that of his junior then his pay can be stepped up to the stage of his junior and increment will accrue one year after that date. Such stepping up benefit can be available to an employee **only once**. But, where junior gets more pay than his senior in the revised scale on account of exercise of option, such stepping up of pay shall not be permissible.

#### 14. Dearness Allowances:

Consequent upon revision of pay scales as per the revised pay structure with effect from the 1<sup>st</sup> January 2016, the payment of Dearness Allowance shall be regulated in the manner by the same principle as adopted by Government of Odisha for their employees.

| <u>Date from which payable</u> | <u>Rate of DA per mensem</u> |
|--------------------------------|------------------------------|
| 01.01.2016                     | No DA                        |
| 01.07.2016                     | 2%                           |
| 01.01.2017                     | 4%                           |
| 01.07.2017                     | 5%                           |
| 01.01.2018                     | 7%                           |
| 01.07.2018                     | 9%                           |

#### 15. House Rent Allowance:

The teachers of the Universities and colleges in receipt of UGC scales of pay shall continue to draw House Rent Allowance equal to the amount drawn before the date of publication of this Resolution

  
27/2/2025

even after fixation of pay in the revised pay Scale. The revision of HRA shall be decided subsequently. Resolution in this regard shall be issued separately. In case of change of headquarters of a teacher due to transfer or otherwise after the date of issue of this resolution, the teacher shall draw the HRA at the rate applicable to the new station in the existing provision on the basis of pay drawn just before issue of this resolution. Teachers joining service after issue of this resolution and before finalization of HRA shall draw the HRA at the existing rate basing on the initial pay in the pay Band and Academic Grade Pay applicable to the post.

#### 16. Age of Superannuation:

Keeping in view the age of superannuation of State Government employees, the age of Superannuation in case of University and College teachers shall be 60 years.

#### 17. Payment of current salary and arrears:

1. The teachers who have since been retired by the date of such notification will get the entire arrear salary in one installment during the same financial year.
